

## 1. Safety instructions

This product complies with the requirements of the following European Community. Directives: 2014/30/EU (Electromagnetic Compatibility) and 2014/32/EU (CE-Sign).

Damages resulting from failure to observe the following safety precautions are exempt from any legal claims whatever.

- \* Do not subject the equipment to direct sunlight, extreme temperatures, extreme humidity or dampness
- \* Do not operate the equipment near strong magnetic fields (motors, transformers etc.)
- \* Do not subject the equipment to shocks or strong vibrations
- \* Keep hot soldering iron or guns away from the equipment
- \* Allow the equipment to stabilise at room temperature before taking up measurement (important for exact measurement)
- \* Do not modify the equipment in any way
- \* Opening the equipment and service- and repair work must only be performed by qualified service personnel
- \* **Measuring instruments don't belong to children hands!**

### **Cleaning the cabinet**

Clean only with a damp soft cloth and a commercially available mild household cleanser. Ensure that no water gets inside the equipment to prevent possible shorts and damage to the equipment.
