

PRESENTING

EVO SPARKLE WITH MAGSAFE

FOR THE IPHONE 14 RANGE

This shimmering and sparkling case allows you to see the original design of the device while keeping it safe from damage. As well as the beautiful and bespoke pattern, it has magnets built into the design to ensure full power from MagSafe chargers and accessories.

Ready for Impact

A shimmering and sparkling case that resists scuffs and scratches in all the toughest tests. Ready for everything thrown at it, this exclusive case offers up to 3.6m multi-drop protection.

Feel the Power of MagSafe

The magnets integrated into the design of the case ensure the device reaches the full power of MagSafe chargers and accessories.
