

# HP Elite Presenter Mouse

## Take control of your presentations and productivity with one versatile device

Run presentations and guide onscreen content with a virtual laser from the palm of your hand, anywhere in the room, or navigate your PC's applications at your desk, with the sophisticated HP Elite Presenter Mouse. It's an ultra-modern, multi-functional accessory that's a pointer and mouse in one.

### Work the room

Control and point to presentations from the front or back of the room—without rushing to your PC to change slides—or seated alongside your colleagues, with a wireless range up to 30 ft (10 m) from your Bluetooth®-paired PC.

### Make your point

Use the real-time laser pointer to highlight Adobe® PDF or PowerPoint content onscreen in a conference room and on remote viewer screens when you share your presentation through your collaboration application.<sup>1</sup>

### Give your mouse a style upgrade

Turn the mouse and turn heads. Get complete functionality without compromising elegance with a sleek metal-accented device that converts from a flat pointer with basic mouse functions to a comfortable, full-featured mouse with one quick flip.

### Travel light and in style

Pop the super-compact presenter into its pouch and your device's bag so it's ready to go anytime you present. Never worry about changing batteries with a design that's rechargeable<sup>2</sup> through a micro USB port and goes to standby when not in use.

### Built by HP

Trust your investment in the latest technology with a device that's designed and tested for HP quality and reliability and to complement your HP PCs and mobile devices.

1. Adobe® PDF is a trademark of Adobe Systems Incorporated.

2. Micro USB power and charging cable included.
