

Your hob combines exceptional ease of use with excellent effectiveness. Once you have read the instructions, operating your hob will not be a problem.

Before being packed and leaving the factory, the safety and functions of this hob were carefully tested.

We ask you to read the User Manual carefully before switching on the appliance. Following the directions in this manual will protect you from any misuse.

Keep this User Manual and store it near at hand.

**The instructions should be followed carefully to avoid any unfortunate accidents.**

### **Important!**

*The appliance may only be operated when you have read and understood this manual thoroughly.*

*The appliance is designed solely for cooking. Any other use (eg heating a room) is incompatible with the appliance's intended purpose and can pose a risk to the user.*

*The manufacturer reserves the right to introduce changes which do not affect the operation of the appliance.*
