

HAPPY LITTLE DINOSAURS™

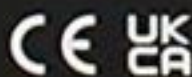

SMILE, IT'S ALMOST OVER.

Lately, it feels like we're all just dinosaurs trying to avoid the falling meteors. In this 2-4 player game, you'll try to dodge all of life's natural, predatory, and emotional disasters. You might fall into a pit of hot lava, get attacked by saber-toothed squirrels, or be ghosted by your dino date, but the dino who survives it all wins the game!

Contents: 97 cards, 4 Dinosaur meeples, 4 Dinosaur player boards, 1 rule book
