Data sheet

HP 225 Wired Mouse and Keyboard

Every Day Productivity

Think how much you use your mouse and keyboard. That's why we've taken the time to design products that are comfortable to use so you can work productively every day - and all day if necessary.

Designed for Comfort

This mouse and keyboard are one comfortable combo. The mouse has perfectly positioned left and right buttons and a scroll wheel. Plus, with 0-6 degree adjustable feet, you'll be able to type comfortably on a three-zone, full sized keyboard.

Plug and Play Connectivity

Connecting some peripheral devices can be a complex and time consuming task. Who needs that? With easy plug and play USB connectivity, you can get your mouse and keyboard connected quickly so you can get on with your work day.

Responsibly Made

You should feel good about the products you buy and use. Rest assured, This wired keyboard is responsibly made with over 50%[1] of the plastics comprised of recycled materials, and the printed circuit boards on the keyboard and mouse are low halogen[2].

Easy Cleaning

Use your mouse and keyboard every day and they will accumulate dirt and grime. Over time, this can affect how they perform. Because they were specifically designed to withstand everyday cleaning with disinfecting wipes[3], this is one mouse and keyboard combo that's a snap to keep clean.

1. Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT standard.
2. External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
3. Select household wipes can be safely used to clean HP Elite Presenter Mouse, HP Premium keyboard (wireless and USB) and HP desktop wired 320 KB/Mouse up to 1,000 wipes: See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Sanitize Your HP Device Whitepaper.

Specifications

HP 225 Wired Mouse and Keyboard

Part number	286J4AA/ET/UT
Dimensions (L x W x H)	Keyboard: 17.17 x 5.43 x 0.81 inch (436 x 138 x 20.3 mm)
	Mouse: 4.41 x 2.48 x1.42 inch (112 x 63 x 36 mm)
Weight	Keyboard: 16.63 oz (471.5g ±30g)
