

- 6-Axis Inertia Sensors, support the motion sensing games
- Mouse cursor on/Off
- Infrared Remote Control-IR learning
- Up to 10 meters transmission distance
- Low power reminder

Features

- 2. 4G/IR switch
- LED Status indication
- Built-in lithium battery
- Air mousr speed can be adjusted
- Forbidden turn over to prevent misuse
- Automatic sleep reduces power consumption

RoHS

Made in China
