## PowerDuo

2 in 1 Wireless Charger

### Welcome to your PowerDuo

Let us help to get your new charger up and running in no time with this quick start guide.

#### MagSafe Compatibility

PowerDuo is MagSafe compatible and will support magnetic alignment without additional cases or magnetic rings on.

#### 15W Fast Charging Surface

Qi wireless charging technology for Apple and Android enabled devices.

#### 5W Charging Surface

Qi wireless charging area for AirPods, Samsung Buds, Pixel Buds and other Qi enabled devices.

#### Charging Indicator Light

Status light indicates whether the device is charging correctly and safely.

### What's Included

- PowerDuo • USB C Cable • Magnetic Ring • Manual
- Additionally required: 30W QC Wall Charger (sold separately)

### Power On

Connect the PowerDuo to a power supply using the included USB-C charging cable and a USB-C wall adapter.

### Charging

Use a MagSafe compatible device, hold up to the charging face until it magnetically connects onto the charger.
