

Organic prickly pear seed oil technical sheet

This oil is full of all you need for radiant, healthy and rejuvenated skin. A true elixir of youth, this oil has astonishing qualities for the skin thanks to its exceptional richness which beats all records in Vitamin E (about 1750 mg/kg in the case of Ecoland oil) and sterols (about 10 g/kg) , which makes this oil the perfect ingredient to fight against free radicals, responsible for skin aging, and allow it to maintain the suppleness and tone of the skin..
