

# Waffle Time™

**It's a wonderful lazy morning and your stomach is grumbling. What's that heavenly smell coming from the kitchen? It's Waffle Time!**

Draft combinations of fruit toppings and whipped cream to load up your waffle. Create patterns to spread syrup for scoring points. What you draft not only affects your score, but also your turn order and how much syrup you can use. After eight quick rounds, the player with the highest scoring waffle is the winner!
