EVO LITE

FOR SAMSUNG GALAXY S24 RANGE

Lite on design, not on protection - Don't let your phone case weigh you down. With our exclusive Evo Lite case in Black for the S24 Range, device protection doesn't have to be heavy. Boasting our signature Waste Responsible Innovation, multi-drop protection and anti-yellowing design, this lightweight case won't let you down.

Ready for Impact

10ft Impact Protection, thanks to our lab-tested materials and design innovations, protects your device drop after drop for the lifetime of your device.

Waste Responsible Innovation*

With our innovative bio-spice formula, this case breaks down into the earth once you're finished with it, leaving no trace of microplastics.
