

## **product manual:**

- The 7.1 sound effect realizes the 4D virtual speaker displacement technology, creating intelligence to realize all-round precise, accurate, and ruthless discrimination, stimulating your sensitive nerves, and making you immersive and extraordinary as the game scene changes.
- USB adopts OFC4NT copper core material, a 2.2m long transparent soft rubber coated black bottom wire, which can withstand accidental pulling with more than five times the strength of the traditional wire, anti-pull, wear-resistant, and durable;
- The new generation of Gaming Audio modulation technology, on the 50mm permanent magnet moving coil unit, achieves better sound performance and clearer restoration;
- Fixed MIC design, with noise reduction effect, clear YY voice and smoother, command and battle will respond immediately;
- Cool appearance, trendy design, with LED lighting effect, instantly attract everyone's attention and make players immersive. Simple and elegant appearance, plastic surface varnish treatment, fingerprint resistance, scratch resistance, showing noble quality;
- According to the general head shape, ergonomic design, light and comfortable, suitable for long-term wearing.

## Technical specifications:

- Speaker type: moving coil / diameter:  $\Phi 50\text{mm}$
- Input impedance:  $20\ \Omega$
- Rated power:  $20\ \text{mW}$
- Maximum input power:  $30\ \text{mW}$
- Frequency response range:  $20\text{Hz}$  to  $20\text{kHz}$
- Rated sensitivity:  $113\text{dB}\pm 3\text{dB}$  (IEC-318 at  $1\text{KHz}$   $1\text{mW}$ )
- Left and right unbalance degree:  $\leq 4\text{dB}$
- Dimensions:  $233*192*101\text{mm}$
- Voltage:  $\text{DC}5\text{V}$
- Sensitivity:  $-38\ \text{dB}$  ( $0\text{dB}=1\text{V}/\text{Pa}$  at MRP position)
- Impedance:  $R_L=2.2\text{K}\Omega$
- Speaker outer diameter:  $50\text{mm}$
- Unilateral sliding distance of headband: N/A
- Headband sliding force: N/A
- Headphone holding force:  $\leq 500\text{gf}$  +/-  $10\%$   
between  $138\text{mm}$  width
- Headphone weight (without packaging): about  $380\text{g}$

# AULA

## Plug specification

- 1.Head beam,
- 2.retractable headband,
- 3.earphone earmuffs,
- 4.volume adjustment,
- 5.light-emitting area,
- 6.microphone,
- 7.USB7.1 interface,
- 8.single 3.5 interface mobile version,
- 9.dual 3.5+USB interface

**Remarks:** The self-contained connectors are also different when buying different versions

## Certificate Wolf spider game headset series: premium

Part name	(Pb)	(Hg)	(Cd)	(Cr(VI))	(PBB)	(PBDE)
Plastic parts	×	○	×	○	○	○
Metal parts	×	○	○	○	○	○
Circuit board assembly	×	○	×	○	○	○
Cable	×	○	○	○	○	○

### Remarks:

○=It means that the content of the toxic and harmful substance in all homogeneous materials of the component is below the limit specified in GB / T14471-2013 standard.

X = indicates that the content of the toxic and harmful substances in at least one homogeneous part of the component exceeds the limit specified in GB / T14471-2013 standard.

### Service life of environmental protection:

According to the administrative measures for pollution control of electronic information products of the people's Republic of China, electronic information products sold within the territory of the people's Republic of China must.

## User warranty card

Dear users, thank you for your choice  Brand products, in order to protect your legitimate rights and interests, better service for you, our company strictly in accordance with the people's Republic of China "microcomputer commodity repair, replacement and return responsibility provisions", to provide you with three guarantees after-sales service, product warranty instructions are as follows.

1. Since the date of purchase, under normal use, the product failure caused by poor electrical performance can be guaranteed for one year, but the damage caused by man-made damage (such as self disassembly, handling damage, bumping, soaking in water, improper input current and voltage, etc.) and damage caused by natural disasters (such as fire, flood, earthquake, rat damage, etc.) are not covered by this warranty.
2. The replacement of consumables (such as batteries, foot stickers, etc.) and accessories is not covered by the warranty card.
3. Please fill in all the columns in this warranty card truthfully and stamp it with the seal of the dealer.
4. Once lost, this warranty card will not be reissued. Please keep it properly.
5. This warranty card is only valid within the territory of the people's Republic of China.
