

Oxford Alpha XA14 Alarm Disc Lock Black/Black

More Information

Options & Sizing

Description:

This XA14 is a super strong motorcycle and scooter alarm disc lock.

The Alpha XA14 has a key replacement service so that if you are unfortunate enough to lose all your keys a new one can be made up. Just remember to take note of your key number and keep this in a safe place.

The Oxford Alpha XA14 alarm has been independently approved by Sold Secure (Gold standard), ART 4210 and Classe SRA.

Key Features

- Super strong motorcycle disc lock with forged stainless-steel construction
- Loud 110dB alarm siren-motion activated
- Twin par lock chassis for double strength and cut resistance
- 14mm diameter T-locking pin, anchors the lock together
- Rechargeable high power lithium polymer battery (USB cable included)
- Unique design; includes minder cable attachment eye
- Available in two colours yellow (LK217) and black (LK218)
