

## 202220 Primo

Extra slip resistant and easy-to-clean shoe with BOA® Fit System and Nanotoe™. The outsole has a solid ladder grip and a stabilising shank that counteracts twisting and distributes the pressure across the entire sole. The shoe is made of breathable, durable and water resistant Permair® leather, while the inner lining is made of sweat transporting and fast-drying Sympatex Moisture-Tech® with extra reinforcement in the heel. Breathable, washable and antibacterial inlay sole. Extra toe reinforcement, ESD approved and PVC-free. With lightweight, thin and strong toe cap of carbon nanotube reinforced fibreglass.
