REMARK:

The verification has been carried out on voluntary application of the manufacturer based only on the documents prepared and provided by the manufacturer itself. The product(s) satisfies the requirements of the Certification Mark of AUA according to the AUA regulations. The manufacturer is responsible to maintain the Internal production control to ensure the compliance of the product. AUA declines any liability with reference to any other noncompliance of documents, product or test report that have been submitted to evaluation. However marking and EC declaration are duties of the manufacturer before putting into service of its product(s) on market as well as the verification doesn't imply assessment of the production of the product(s). The manufacturer is liable to take all the necessary actions required by the applicable directives & procedures before putting CE mark on the product(s). The manufacturer should be responsible for the results caused by improperly use this verification.
