MediaRange USB 3.0-enhet, 128 GB

Notes: 1 GB = 1 billion bytes. Actual capacity of device is less. Device is using up to 10% of physical memory for formatting and other functions. Read- and write performance is depending on computer capabilities and file size and may vary from the stated values. Device must be connected to a USB 3.0 (or higher) host port for optimal performance results. Downwards compatible to USB 2.0 ports.
