Herzog HR-ROS32M: 32cm Die Casting Roaster

Experience the brand new roasting experience with the Herzog HR-ROS32M, a 32cm Die Cast Roasting Pan. This standard sized roasting pan is perfect for meat and poultry meals for your family gatherings. Made from a die cast aluminum which absorbs heat rapidly with no hot spots. The thickened induction ready bottom offers a well distributed and balanced heat. The non-stick coating is made from a black stone that delivers quick food release. No oil and butter needed making all the dishes healthier and it's very easy to clean. The non-stick coating is free of PFOA, PFOS, lead & cadmium for a safe and healthy cooking. The roasting pan, not including the lid, is oven-safe and resistant to high temperatures and abrasions. The glass lid has a liquid or seasoning pouring valve that elevates the roast flavor.

Features:

Durable die cast aluminum body Glass lid with liquid or seasoning pouring valve Resistant to high temperatures and abrasions High performance black non-stick coating Environmental friendly and high temperature resistant Heavy duty
