

WARNING! This helmet should not be used by children while climbing or doing other activities when there is a risk of strangulation/hanging if the child gets trapped with the helmet. The helmet can be damaged by contact with common substances such as hydrocarbons, certain solvents (ammonia), cleaning fluids (bleach), paints, transfers or other extraneous additions. This damage may not be visible to the user. Wipe with mild soap and water only. Please, refer to the user instruction manual for more specific care and cleaning information. Helmet for pedal cyclists, skateboarders or roller skaters.
