## ADVANCED REVITALIZER

### Face Day Cream SPF 15

**Daily antiaging treatment**  
with protection index **SPF 15**  
developed by **Laboratories SIALOR MILANO**,  
to prevent the signs of aging  
restoring **moisturization and volume** to the skin.

## TRIPLE ACTION

- ❖ Corrects the signs of aging
- ❖ Protects skin from external agents
- ❖ Moisturizes and tones the face

## 7 FUNCTIONAL SUBSTANCES MAKE THE DIFFERENCE

Prevents **photo-aging** caused by UVA and UVB rays,  
avoiding the risk of spots and discoloration.

Its **Formula**, with a silky touch, is enriched by:

- **Hyaluronic Acid**, with **high and low molecular weight**, acts both on the surface, lifting the **Epidermis**, and deeply, stimulating the cellular metabolism of the skin tissues.
- **Palmitoyl Tetrapeptide-7**, counteracts skin sagging, visibly attenuating **fine lines and expression wrinkles**.
- **Palmitoyl Tripeptide-1**, stimulates the natural production of **Collagen** and **Elastin** to increase skin density and redefine the contours of the face.
- **Trehalose**, for a lasting moisturization.
- **Batyl Alcohol**, soothing and antioxidant, enhances the defensive action of **YALODÉ™ Advanced Revitalizer**.
- **Shea butter**, nourishes and protects skin from redness and dryness.
