

D: Bedeutung des Symbols auf dem Produkt, der Verpackung oder Gebrauchsleitung. Elektrogeräte sind Wertstoffe und gehören am Ende der Laufzeit nicht in den Haushalt! Helfen Sie uns bei Umweltschutz und Ressourcenschonung und geben Sie dieses Gerät bei den entsprechenden Rücknahmestellen ab. Fragen dazu beantwortet Ihnen die für die Abfallbeseitigung zuständige Organisation oder Ihr Fachhändler. Verwenden Sie ausschließlich die dafür festgelegten Batterien! Legen Sie sie so ein, dass die positiven und negativen Pole an der richtigen Stelle sind! Werfen Sie verbrauchte Batterien nicht in den Haushaltsmüll, sondern bringen Sie sie zu einer Sammelstelle oder entsorgen Sie sie bei einem Sondermülldepot. Entfernen Sie leere Batterien aus dem Spielzeug. Nicht wiederaufladbare Batterien dürfen nicht aufgeladen werden. Wiederaufladbare Batterien sind vor dem Aufladen aus dem Spielzeug herauszunehmen. Wiederaufladbare Batterien dürfen ausschließlich unter der Aufsicht von Erwachsenen aufgeladen werden. Verwenden Sie keine unterschiedlichen Typen von Batterien und setzen Sie nicht gleichzeitig neue und gebrauchte Batterien ein. Schließen Sie die Verbinderstege nicht kurz. Mischen Sie nicht neue und alte Batterien. Mischen Sie nicht Alkali-, Standard-(Kohle-Zink) und wiederaufladbare Batterien. ACHTUNG: Gebrauchte Batterien sind sofort zu entsorgen. Neue und gebrauchte Batterien von Kindern fernhalten. Sofort einen Arzt aufsuchen, wenn der Verdacht besteht, dass Batterien verschluckt oder in einen Körperteil eingeführt wurden. Informationen bitte aufbewahren. **GB:** The meaning of the symbol on the product, packaging or instructions. Electrical appliances are valuable products and should not be thrown in the dustbin when they reach the end of their serviceable life! Help us to protect the environment and respect our resources by handing this appliance over at the relevant recycling points. Questions related to this matter should be directed to the organisation responsible for waste disposal or your specialist retailer. Only use the batteries specified! Put positive and negative pole in the right place! Do not throw away used batteries in the household garbage, but only give them to the collection station or dispose of them at a special garbage depot. Remove exhausted batteries from the toy. Non-rechargeable batteries must not be recharged. Before charging remove rechargeable batteries from the toy. Rechargeable batteries must be charged under adult supervision only. Do not use different types of batteries and do not mix new and used batteries. Do not short-circuit connector clips. Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries. **WARNING:** Dispose of used batteries immediately. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention. Please keep this information. **E:** Significado del símbolo sobre el producto, el embalaje o la instrucción de uso. Los aparatos eléctricos son de bienes potencialmente reciclables y no deben pasarse a los vertederos. Los pilas que se usan en el juguete deben ser devueltas a las tiendas especializadas para su reciclaje. No se deben mezclar pilas nuevas con usadas ni diferentes tipos de pilas. No se deben cargar pilas usadas ni mezclar pilas recargables con pilas no recargables. **ATTENTION:** Mettre immédiatement au rebut les piles ou accumulateurs usagés. Tenir les piles ou accumulateurs doivent être enlevés du jouet avant d'être chargés. Les différents types de piles ou accumulateurs ou des piles ou accumulateurs neufs et usagés ne doivent pas être mélangés. Les bornes d'une pile ou d'un accumulateur ne doivent pas être mises en court-circuit. Ne mélangez pas des piles neuves avec des anciennes. Ne mélangez pas piles alcalines, piles standard (carbone-zinc) et piles rechargeables. **AVERTENZA:** Smaltire immediatamente le batterie usate. Non gettare le pile usate nei rifiuti domestici, ma portarle in un luogo di raccolta per rifiuti speciali. Le batterie scariche devono essere rimosse dal giocattolo. Le pile ricaricabili vanno estratte dal giocattolo prima della ricarica. Le pile ricaricabili devono essere ricaricate solo sotto la sorveglianza di un adulto. Non utilizzare tipi diversi di pile e non inserire contemporaneamente pile nuove e usate. I morsetti di alimentazione non devono essere cortocircuitati. Non mischiare pile alcáline, standard (zinc-carbone) e ricaricabili. **AVERTENZA:** Smaltire immediatamente le batterie scariche. Conservare le batterie nuove e usate fuori dalla portata dei bambini. Si si ritiene che le batterie siano state ingerite o siano penetrate all'interno del corpo, contattare immediatamente un centro anti poison. **Veuillez conserver les informations.** Il simbolo del cassetto barrato apposto sul prodotto, sulla confezione o nelle istruzioni per l'uso indica la necessità di smaltire in modo adeguato il prodotto stesso. Gli apparecchi elettrici ed elettronici (AEE) sono prodotti riciclabili e quindi, al termine del loro ciclo di vita, non devono essere gettati tra i rifiuti domestici! Aiutateci a tutelare l'ambiente e a preservare le risorse, conferendo questo AEE presso idonei centri di raccolta. Alla fine del ciclo di vita utile dell'AEE, chiedete al vostro distributore informazioni circa la possibilità di renderlo gratificante - al momento dell'acquisto di un AEE di tipo equivalente; oppure - in ogni momento, per le AEE di piccolissime dimensioni (inferiori ai 25cm) senza l'obbligo d'acquisto di un prodotto equivalente. Utilizzate esclusivamente le apposite pile! Inserire le pile con i poli positivi e negativi nel verso giusto! Non gettare le pile usate nei rifiuti domestici, ma portarle in un luogo di raccolta o gettarle in una discarica per rifiuti speciali. Le batterie scariche devono essere rimosse dal giocattolo. Le pile non ricaricabili non vanno caricate. Le pile ricaricabili vanno estratte dal giocattolo prima della ricarica. Le pile ricaricabili devono essere ricaricate solo sotto la sorveglianza di un adulto. Non utilizzare tipi diversi di pile e non inserire contemporaneamente pile nuove e usate. I morsetti di alimentazione non devono essere cortocircuitati. Non mischiare pile alcáline, standard (zinc-carbone) e ricaricabili. **AVERTENZA:** Smaltire immediatamente le batterie scariche. Conservare le batterie nuove e usate fuori dalla portata dei bambini. Se si ritiene che le batterie siano state ingerite o siano penetrate all'interno del corpo, contattare immediatamente un medico. Conservare le informazioni. **NL:** Betekenis van het symbool op het product, de verpakking of gebruiksaanwijzing. Elektrische apparaten zijn waardevolle producten en moeten niet in de huisvuil worden gegooid als ze hun levensduur hebben bereikt. Vervang de batterijen niet door verschillende soorten batterijen en voer de batterijen niet kortsluitend. Gebruik alleen nieuwe batterijen voor de juiste plaatsing. Sluit de verbindingen niet kortsluitend. **WAARSCHUWING:** Voer gebruikte batterijen niet uit het spelgoed. Niet heroplaadbare batterijen mogen niet opladen worden. Heroplaadbare batterijen dienen vóór het opladen uit het spelgoed te worden gehaald. Heroplaadbare batterijen mogen uitsluitend onder toezicht van volwassenen worden opladen. Gebruikt u geen verschillende soorten batterijen en plaatst u niet tegelijk nieuwe en gebruikte batterijen. Sluit u de verbindingen niet kort. Gebruikt u geen nieuwe en oude batterijen door elkaar. Gebruikt u een gelijk-, standaard- (kool-zink) en heroplaadbare batterijen door elkaar. **WAARSCHUWING:** Voer gebruikte batterijen direct af. Hou nieuwe batterijen en gebruikte batterijen uit de buur van kinderen. Als u denkt dat een batterij werd ingesloten of in een lichaamsopening werd geplaatst, dient u onmiddellijk contact op te nemen met een arts. **Informatie s.v.p. bewaren.** **E:** Significado del símbolo en el producto, el embalaje o las instrucciones de uso. Los electrodomésticos son objetos de valor y, al final de su vida útil, no deben tirarse a la basura doméstica. Contribuya a proteger el medioambiente y los recursos entregando este aparato a los puntos de reciclaje correspondientes. La organización responsable de la recogida de basura o su establecimiento especializado podrá responder a sus preguntas. ¡No utilice otras pilas que las pilas designadas! Instale las pilas, fíjandose en la posición correcta de los polos positivos y negativos! No se deshaga de las pilas usadas arrojándolas a la basura doméstica, entreguelas en los lugares previstos para su recogida o elimínelas en un depósito para basura especial. Retire las pilas descargadas del juguete. No recargue pilas no recargables. Las pilas recargables deben retirarse del juguete antes de cargarlas. Las pilas recargables deben cargarse sólo bajo la supervisión directa de una persona adulta. Utilice sólo pilas del mismo o equivalente tipo y no instale pilas viejas y pilas nuevas al mismo tiempo. No cortocircuite las almas de unión. No mezcle pilas nuevas con pilas viejas. No mezcle pilas alcálinas, standar (zinc-carbon) y acumuladoras. **ADVERTENCIA:** Deseche las pilas usadas de inmediato. Mantenga las pilas nuevas y usadas fuera del alcance de los niños. Si piensa que alguien ha ingerido una pila, o se la ha introducido en alguna parte del cuerpo, consulte con un médico inmediatamente. Conservar las informaciones. **P:** Significado do símbolo no produto, na embalagem ou nas instruções de utilização. Os aparelhos eléctricos são materiais

recicláveis e não pertencem ao lixo doméstico no final da vida! Ajude-nos a proteger o meio ambiente e a poupar os recursos naturais entregando este aparelho num respectivo local de recolha. Em caso de dúvidas, contacte a organização responsável pela eliminação do lixo ou o seu revendedor. Utilize exclusivamente as pilhas recomendadas! Coloque-as de forma a que os polos positivos e negativos se encontrem na posição correcta! Não deite as pilhas gastas no lixo doméstico, mas coloque-as num posto de recolha de pilhas ou elimine-as num depósito de lixo especial. Retire as pilhas gastas. As pilhas não recarregáveis não podem ser carregadas. As pilhas recarregáveis devem ser retiradas do jogo antes de serem carregadas. As pilhas recarregáveis só devem ser carregadas exclusivamente sob a vigilância de adultos. Não utilize tipos de pilhas diferentes e não coloque pilhas novas e usadas em simultâneo. Não ligue as pilhas de conexão em curto-círcito. Não mistre pilhas novas com antigas. Não mistre pilhas alcalinas, padrão (carvão-zinc) e recarregáveis. **AVISO:** Elimine as pilhas usadas imediatamente. Mantenha as pilhas novas e usadas afastadas de crianças. Se suspeitar que as pilhas foram engolidas ou inseridas em qualquer parte do corpo, consulte imediatamente um médico. Por favor, guardar estas informações. **DK:** Betydningen af symbolet på produktet, indpakningen eller brugervejledningen. Brugte batterier er ikke tilbage i husholdningsaffaldet! Hjælp os ved miljøbeskyttelse og ressourcerne! Sofort en Arzt aufsuchen, wenn der Verdacht besteht, dass Batterien verschluckt oder in einen Körperteil eingeführt wurden. Informationen bitte aufbewahren. **GB:** The meaning of the symbol on the product, packaging or instructions. Electrical appliances are valuable products and should not be thrown in the dustbin when they reach the end of their serviceable life! Help us to protect the environment and respect our resources by handing this appliance over at the relevant recycling points. Questions related to this matter should be directed to the organisation responsible for waste disposal or your specialist retailer. Only use the batteries specified! Put positive and negative pole in the right place! Do not throw away used batteries in the household garbage, but only give them to the collection station or dispose of them at a special garbage depot. Remove exhausted batteries from the toy. Non-rechargeable batteries must not be recharged. Before charging remove rechargeable batteries from the toy. Rechargeable batteries must be charged under adult supervision only. Do not use different types of batteries and do not mix new and used batteries. Do not short-circuit connector clips. Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries. **WARNING:** Dispose of used batteries immediately. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention. Please keep this information. **E:** Significado do símbolo sobre o produto, o pacote ou as instruções de uso.
