

DBA 200.3

ACTIVE SUB BOX

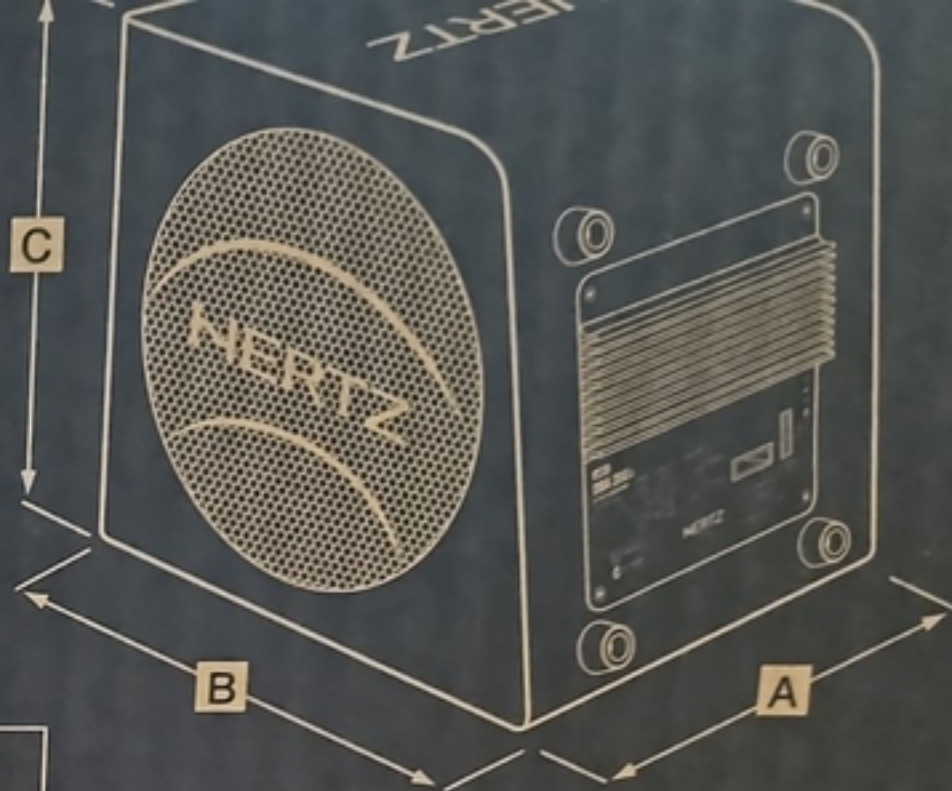

140 W

Dieci Line active subwoofer DBA 200 represents a new landmark in its category. Thanks to the massive active loudspeaker, the double passive radiator, the powerful integrated amplifier, as well as the versatile control panel, DBA 200 will rock your car-audio system to the ground. To start the right way: the first step into the Hertz world.

1. 8" massive motor system active subwoofer
2. 8" double passive radiator
3. 140 W integrated power amplifier
4. Frequency, Level, Phase adjustable controls
5. Pre-amp input/speaker input
