	MAX	MIN	MAX	MIN
LUMENS	300 lm	40 lm	40 lm	6 lm
DISTANCE	80 m	16 m	9 m	3 m
BURNTIME	30 h	175 h	20 h	125 h
WEIGHT	52 g	36 g	36 g	88 g

This product is protected by one or more of the following patents:
US2649089B1, US6621255B2, US650066B2, EP1120018B1, EP1206168B1. Other patents pending.

INSTRUCTIONS FOR USE

SPOT LED HEADLAMP

Battery Life: Your battery life will vary depending on:

- Brand and freshness of batteries
- Length of time the headlamp has been off
- Temperature
- Settings used

IMPORTANT: Follow all instructions carefully. Any modifications of this product will void the warranty. Misuse of the headlamp may cause the user harm.

BATTERIES

- Use AAA alkaline, lithium or rechargeable batteries
- Do not mix old and new batteries or different battery types
- Dispose of used batteries properly
- Remove batteries during storage and transport

USE / MODES

(see accompanying illustrations)

ATTACHING AND ADJUSTING THE ELASTIC HEAD STRAP

The headlamp can also be attached to webbing on packs, harnesses and waistbelts by the same procedure. The elastic will be in direct contact with your forehead if installed properly. To loosen or tighten the head strap, slide the plastic adjuster forward or backward.

STORAGE AND TRANSPORTATION

(see accompanying illustrations)

CARE AND MAINTENANCE

(see accompanying illustrations)

TROUBLESHOOTING

If the headlamp does not work:

- Check that the batteries are oriented correctly and touching the contacts
- Replace the batteries
- Check the contacts and connections for corrosion and clean if necessary
- Work the switch several times
- No luck? Contact your Black Diamond Dealer or BlackDiamondEquipment.com.

SPARE PARTS

There are no user-replaceable parts for this headlamp other than the batteries and elastic headband.

WARNINGS

- A responsible adult must supervise use by children under the age of 12
- To reduce the risk of strangulation, do not place the headlamp straps and/or neck cord around your neck
- Inspect your headlamp for proper operation prior to using and, for critical situations, carry a second light and sufficient spare batteries
- Do not stare directly into the beam or shine it directly into others' eyes. Intense light can damage your eyes or the eyes of those around you. Black Diamond Equipment is not responsible for the consequences, whether direct, indirect or accidental, or for any other type of damage arising or resulting from the use of its products. You are responsible for your actions and activities and for any consequences that may result from them.

LIMITED WARRANTY

We warrant for one year from purchase date and only to the original purchaser. We warrant that our products (Products) are free from defects in material and workmanship. For lighting products, our warranty is for three years. If Buyer discovers a covered defect, Buyer should return the Product to the place of purchase. In the event that this is not possible, return the Product to us at the address provided. The Product will be repaired or replaced at our discretion. That is the extent of our liability under this Warranty and, upon expiration of the applicable warranty period, all such liability shall terminate. We reserve the right to require proof of purchase for all warranty claims.

Warranty Exclusions:

- Products and Products against normal wear and tear (such as ski edge cuts and abrasions, outdoor wear, etc.), unauthorized modifications or alterations, improper use, improper maintenance, misuse, negligence, damage, or if the Product is damaged by the consequences, whether direct, indirect or accidental, or for any other type of damage arising or resulting from the use of its products. You are responsible for your actions and activities and for any consequences that may result from them.

PIÈCES DE RECHANGE

Hormis les piles et le bandeau élastique, les différentes pièces qui composent cette frontale ne sont pas remplaçables par l'utilisateur.

AVERTISSEMENTS

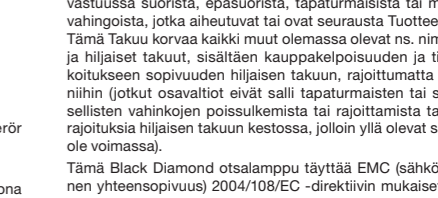

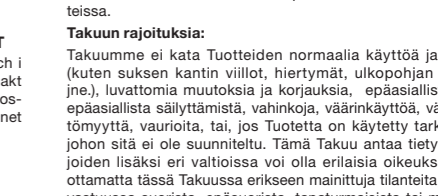

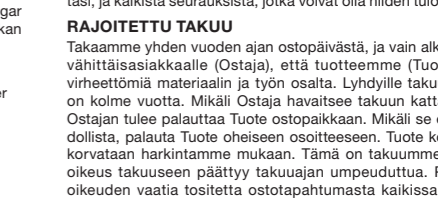

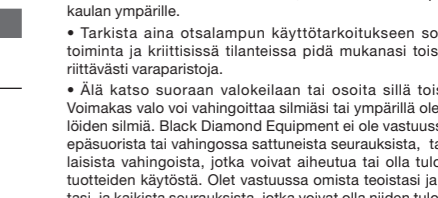

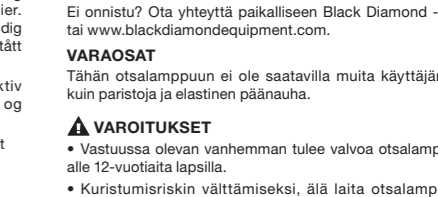

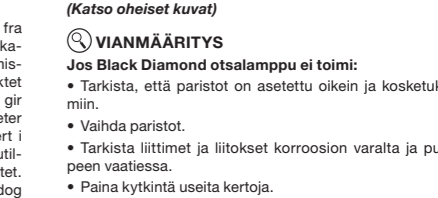

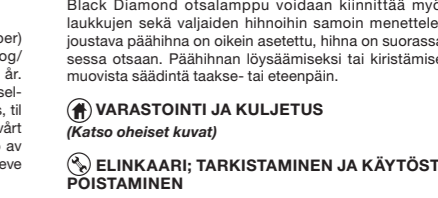

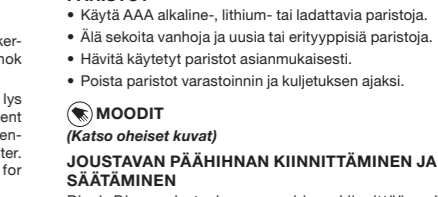

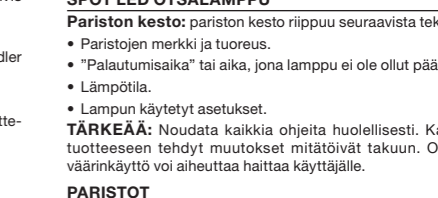

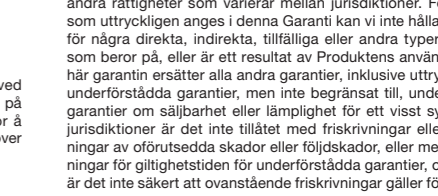

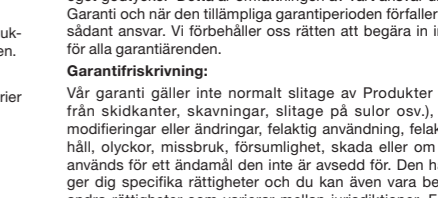

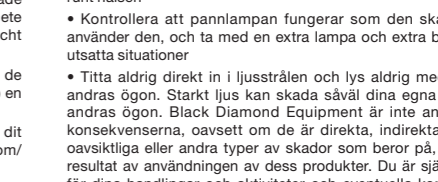

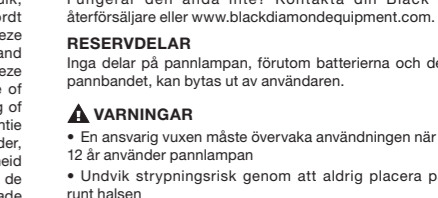

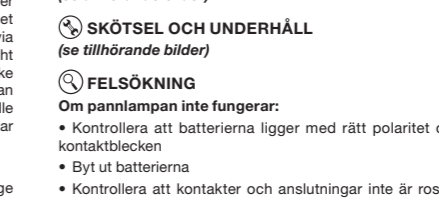

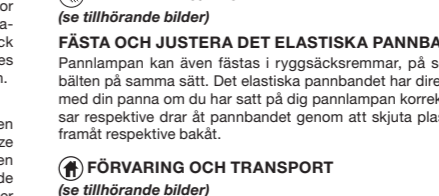

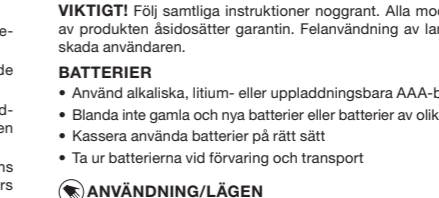

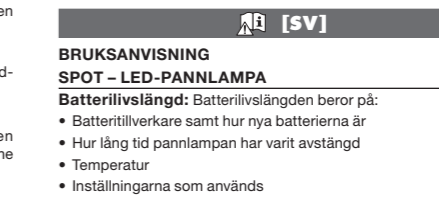

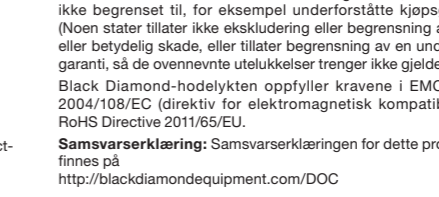

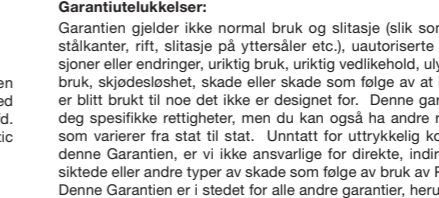

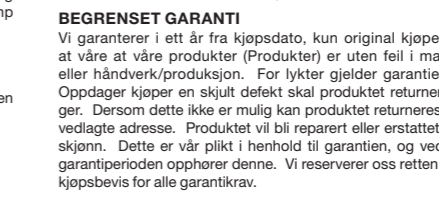

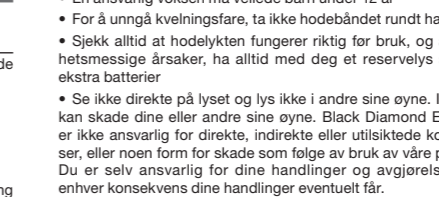

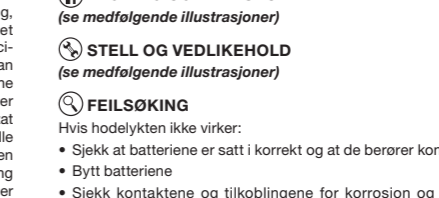

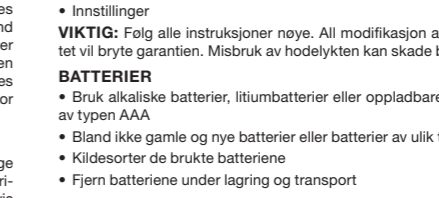

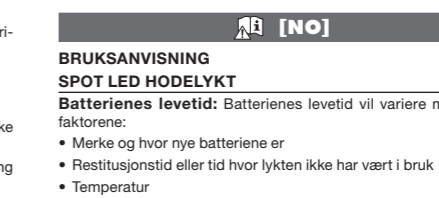

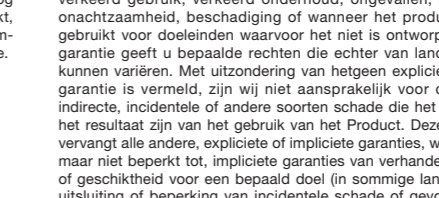

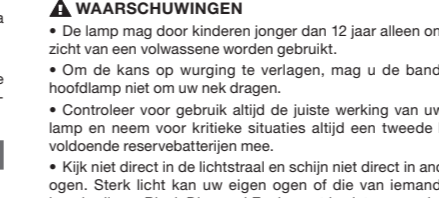

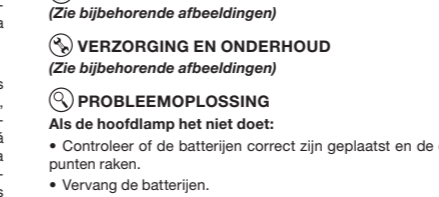

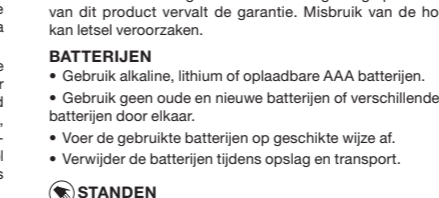

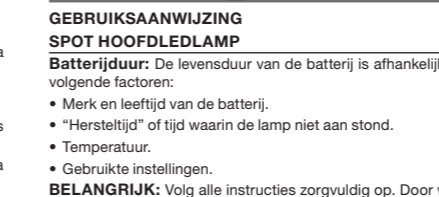

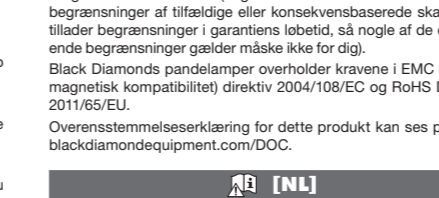

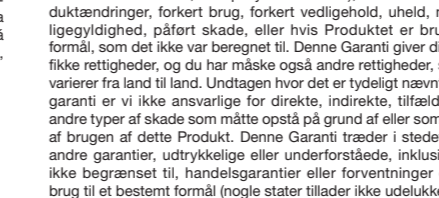

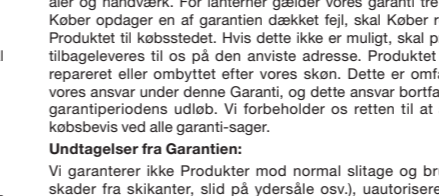

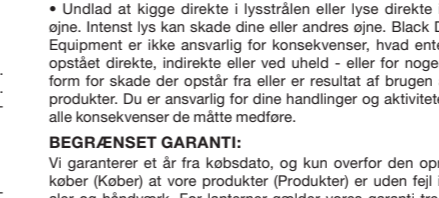

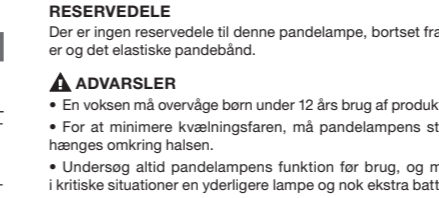

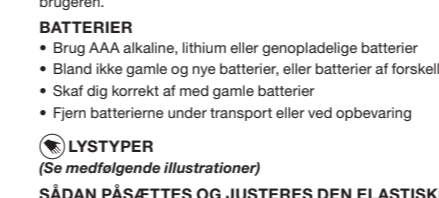

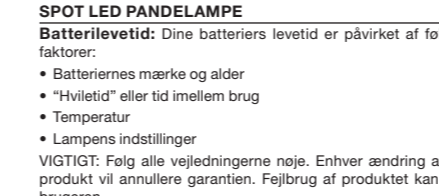

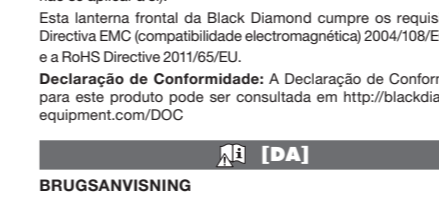

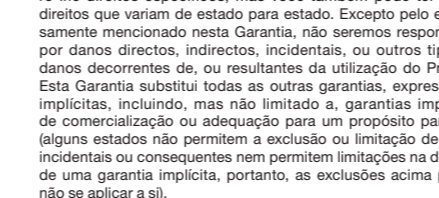

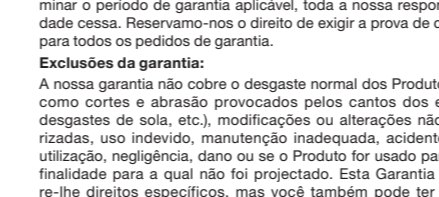

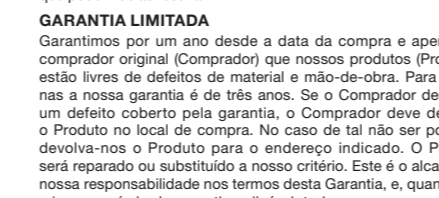

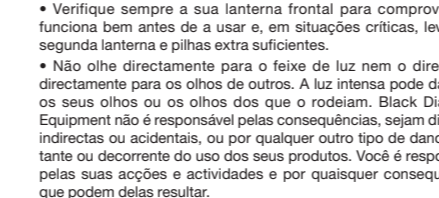

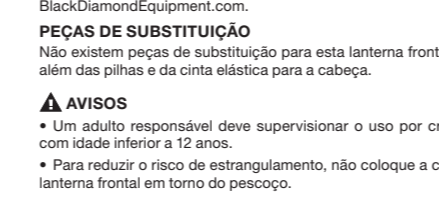

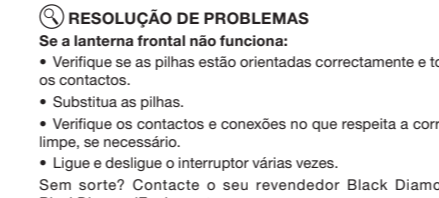

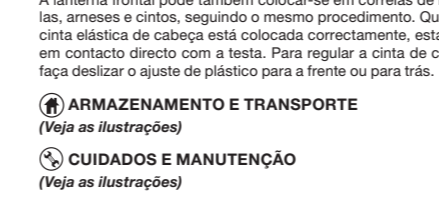

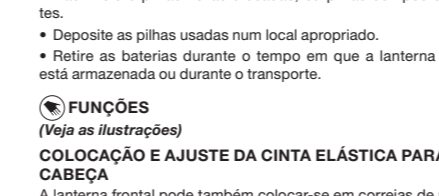

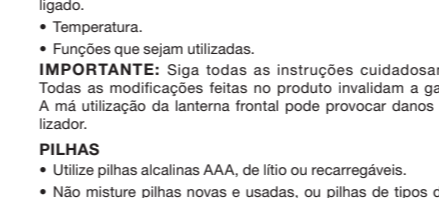

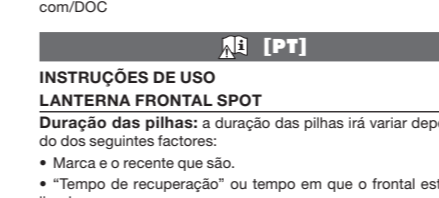

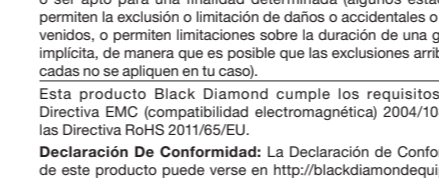

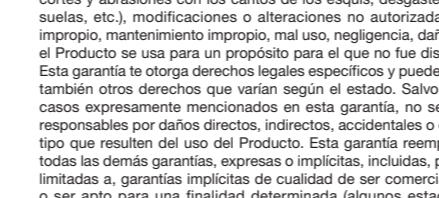

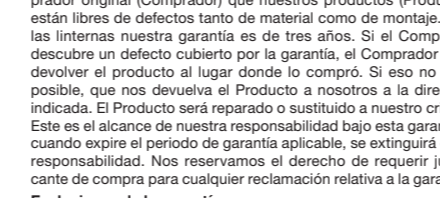

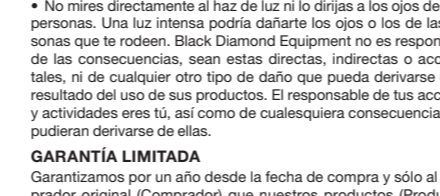

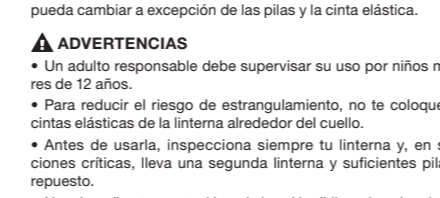

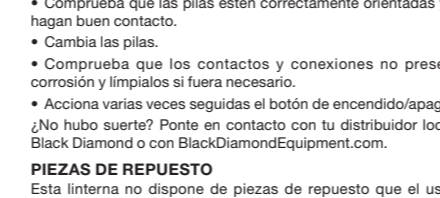

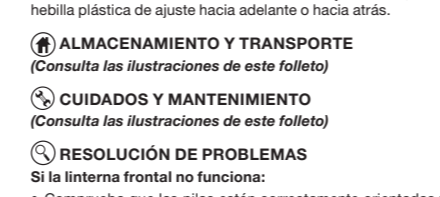

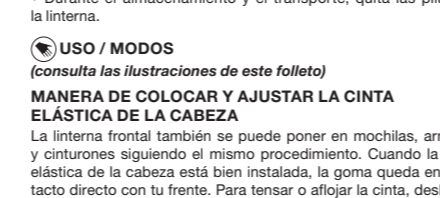

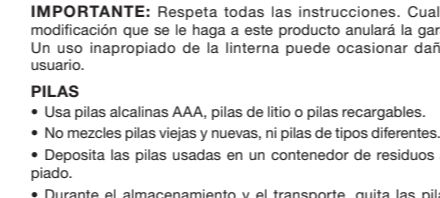

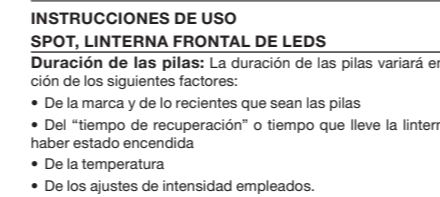

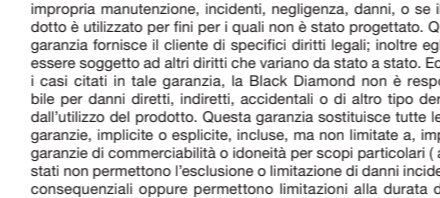

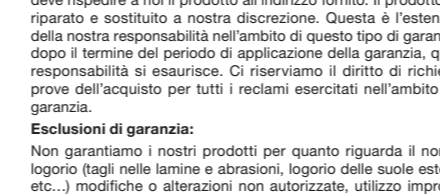

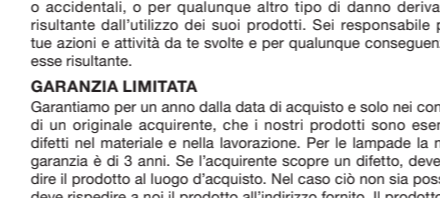

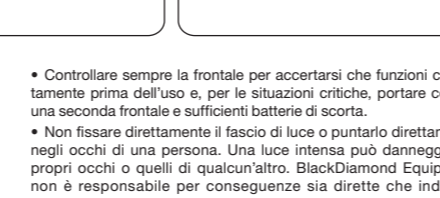

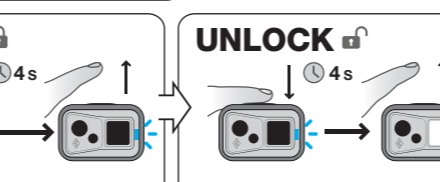

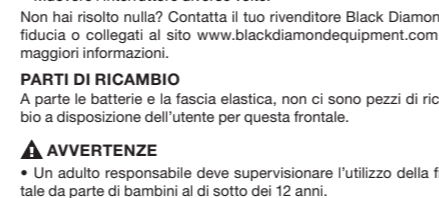

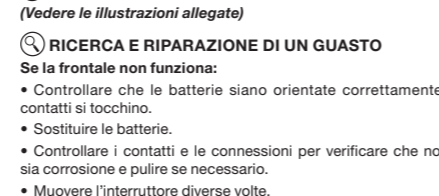

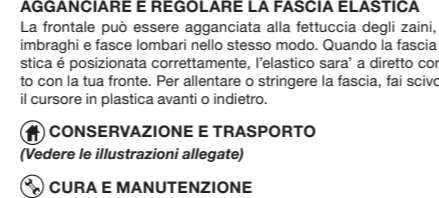

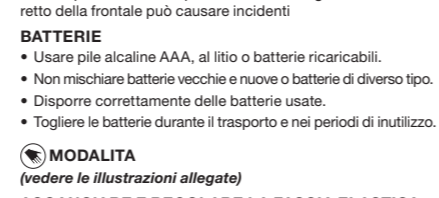

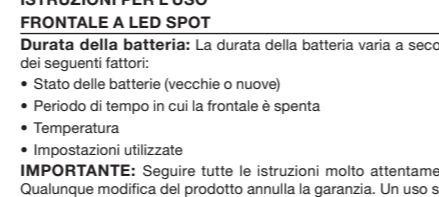

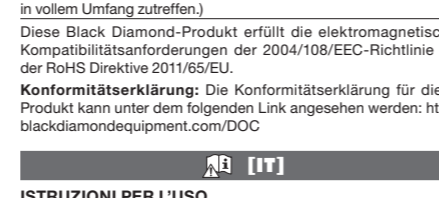

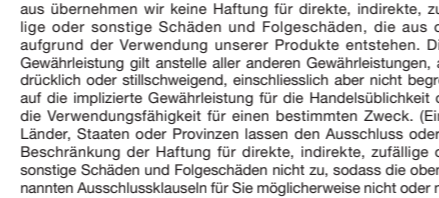

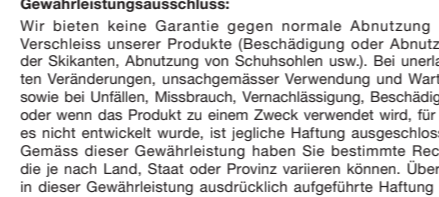

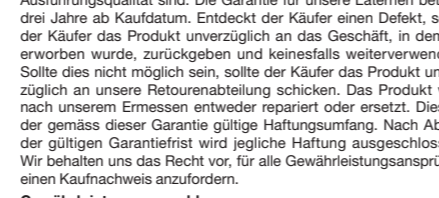

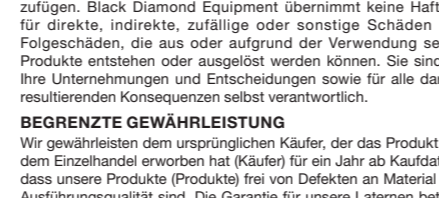

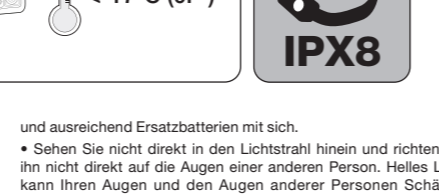

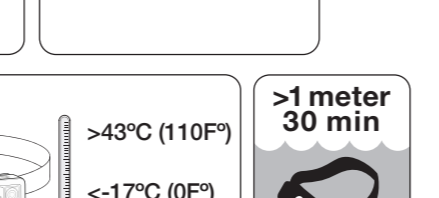

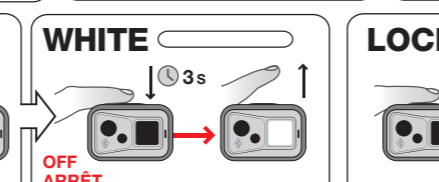

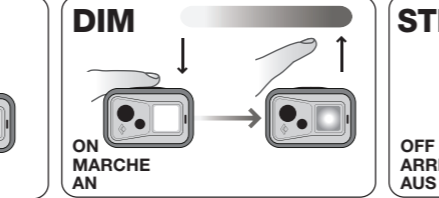

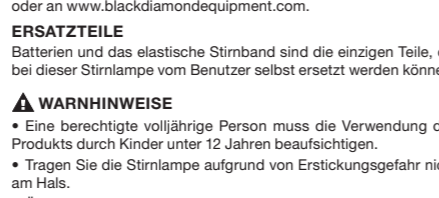

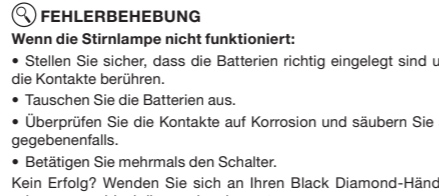

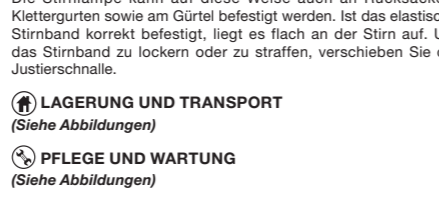

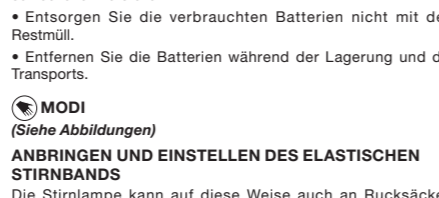

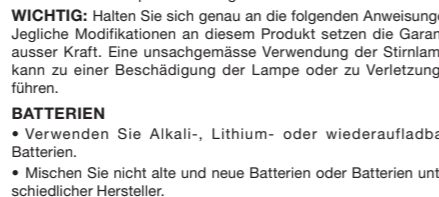

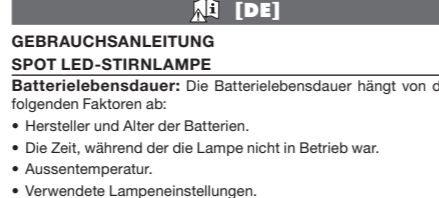

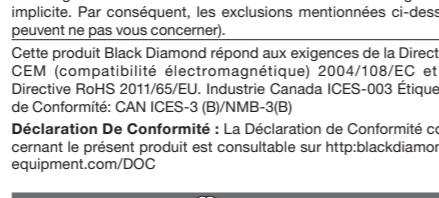

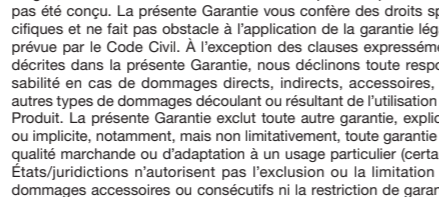

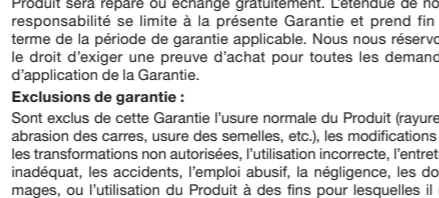

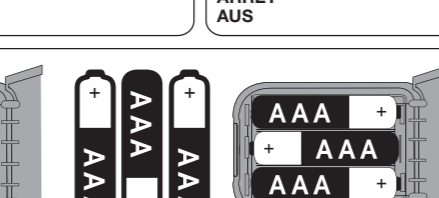

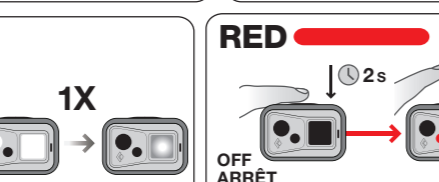

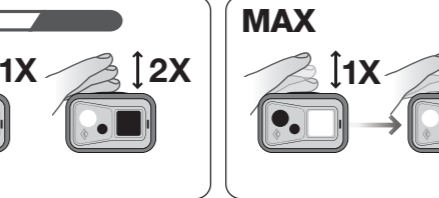

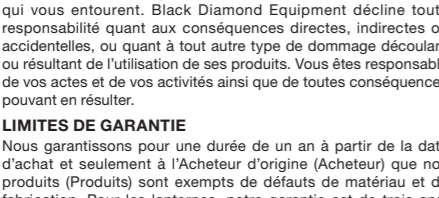

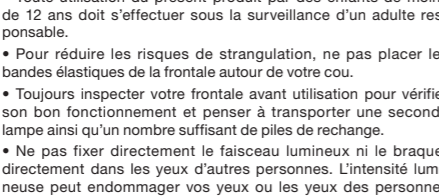

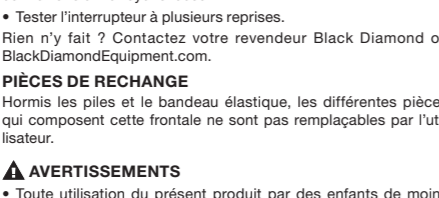

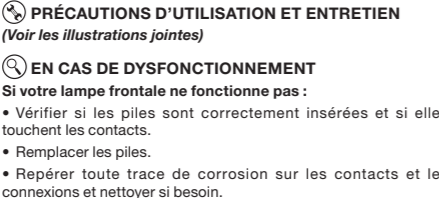

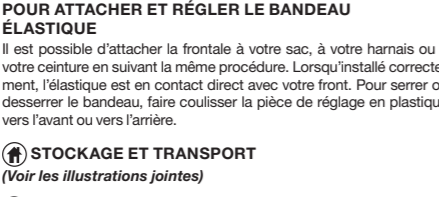

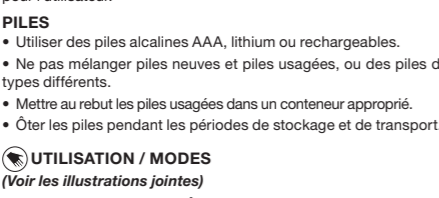

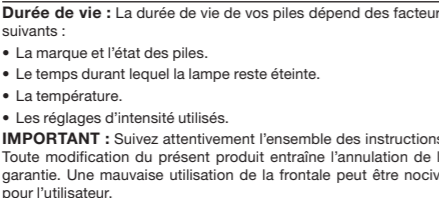

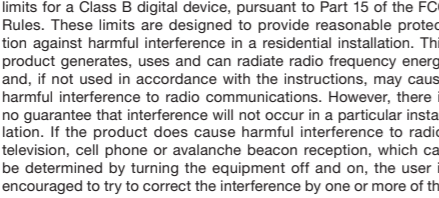

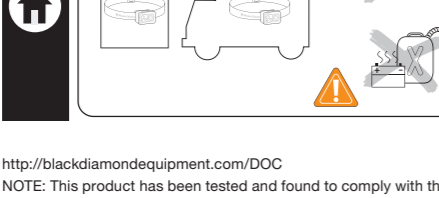

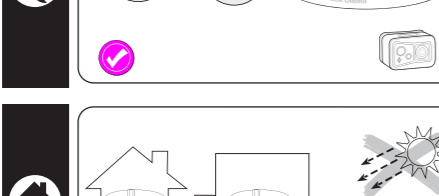

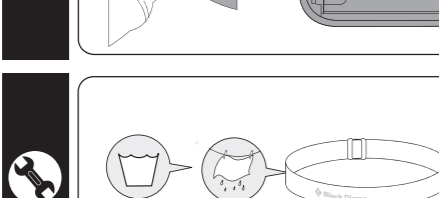

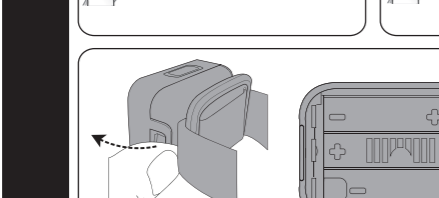

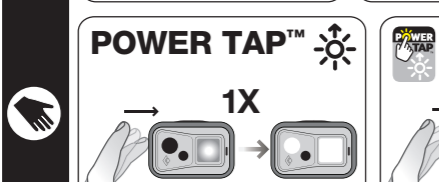

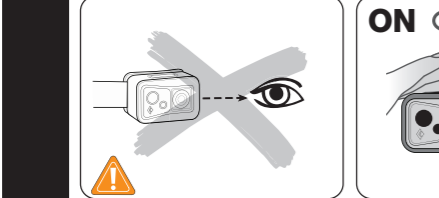

- Toute utilisation du présent produit par des enfants de moins de 12 ans doit s'effectuer sous la surveillance d'un adulte responsable.
- Pour réduire les risques de strangulation, ne pas placer les bandes élastiques de la frontale autour de votre cou.
- Toujours inspecter votre frontale avant utilisation pour vérifier son bon fonctionnement et penser à transporter une seconde lampe avec vous en cas de panne.
- Ne pas fixer directement le faisceau lumineux ni le braquer directement dans les yeux d'autres personnes. L'intensité lumineuse peut endommager vos yeux ou les yeux des personnes qui vous entourent. Black Diamond Equipment décline toute responsabilité quant aux conséquences directes, indirectes ou accidentelles, ou quant à tout autre type de dommage découlant ou résultant de l'utilisation de ses produits. Vous êtes responsable de vos actes et de vos activités ainsi que de toutes conséquences pouvant en résulter.

LIMITES DE GARANTIE

Nous garantissons pour une durée de un an à partir de la date d'achat et seulement à l'acheteur d'origine (Acheteur) que nos produits (Produits) sont exempts de défauts de matériau et de fabrication. Pour les lanternes, notre garantie est de trois ans.
