

Colour Coded Cleaning

Colour Coded Cleaning ensures that there is no cross contamination, as equipment used in one area does not transfer germs to another area.

Yellow - Kitchen

Kitchen: Covers all areas used to prepare and present food

Red - Toilet

Toilet: Includes washrooms, bathroom amenities & surfaces

Blue - Bar/Licensed

Bar/Licensed: For use on surfaces & equipment behind the bar

Green - Public

Public: Areas which can be accessed & used by the public

Can be used with;
