Frequency Range: 2 . 4GHZ

Output Power Category: Class2

Bluetooth Mode: HFP / HSP / A2DP / AVRCP

Bluetooth Range: Greater than 10m

Battery : 250mah

Working Current: 15-20MA

Charge Voltage: DC/5V

Charge Current: 150MA

## Product Diagram

## Charge the device

1. Please fully charge the product before first use . The battery can be charged by plugging in the 5V DC power supply through the Type-C charger. When the battery is charging, the red indicator light will be on for a long time, and when the battery is fully charged, the red indicator light will automatically turn off, fully charged time is about 2.5 hours;
2. When the device is in low power state, the indicator light will flash red, please charge it in time with DC 5V power supply input only.(Do not use power supply higher than 5V)

### **Note:**

Charge the product at least once every 3 months when not using for a long time .

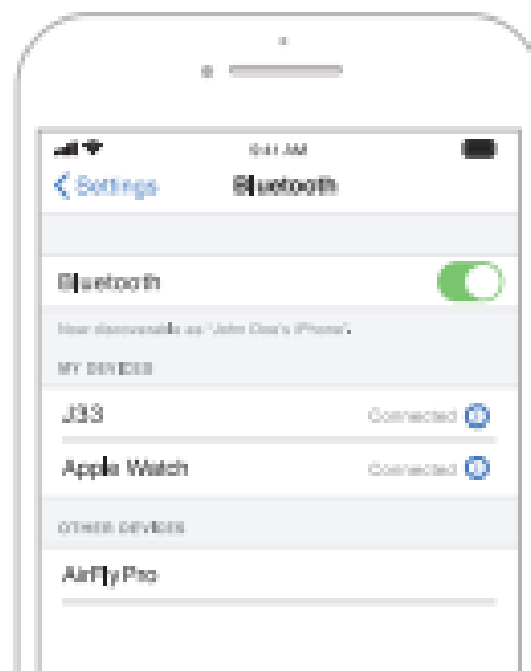

## Pair with your Bluetooth enabled smartphones, tablets, etc.

1. Press and hold the MFB for 3 second to power on, the indicator light flashes red and blue alternately. Now it's in pairing mode.

2. Turn on the Bluetooth on your Bluetooth device, search "J33" and connect. The indicator will turn blue when connected.

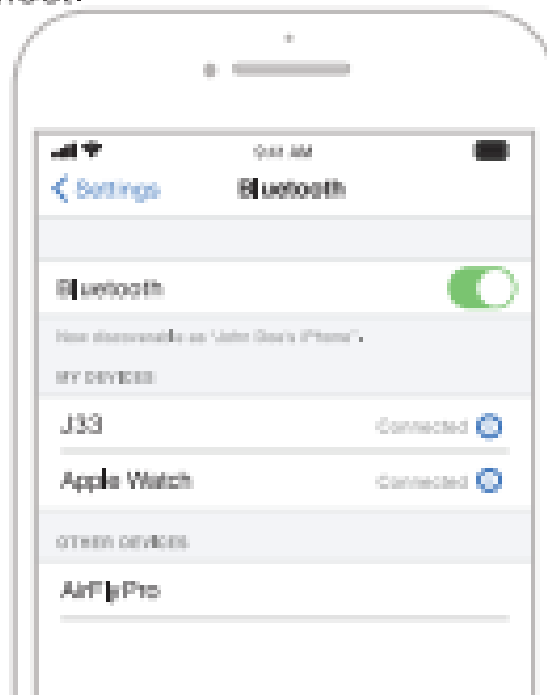

3. Connect the product to the AUX INPUT port of your desired source, like headphone/home speaker or car stereo system with provided 3.5mm audio cable, or plug your old 3.5mm wired earphone into the device.

4. Now you can enjoy music wirelessly or answer hands-free calls.

## Pair with second smartphones, tablets, etc.

1. After successfully pairing with the first smartphone, turn off the Bluetooth function of the first smartphone, and the product will enter the pairing mode again.
2. Turn on the Bluetooth function of the second smartphone, search for "J33" and connect.

3. Turn on the Bluetooth function of the first smartphone, select "J33" in your pairing history.
4. Now two smartphones have connected to the receiver at the same time.

## Operations:

Function	Operation
Power On/Off	Long press the "MFB" for 3 seconds
Play/Pause/Answer/Hang up	Press the "MFB" once
Reject a call	Long press the "MFB" for 2 seconds
Redial the last number	Double-click the "MFB" button
Volume Up/Down	Long press "+"/"-" button for 3 seconds
Next/Previous Song	Short Press "+"/"-" button once
Clear Pairing Record	In standby status, press "+" and "-" at the same time for 2 seconds

## LED Indicator:

Power On:	Indicator turns blue
Pairing:	Indicator flashes red and blue alternately
Connected:	Indicator flashes blue once every 5 seconds
Battery Low:	Indicator flashes red
Charging:	Indicator stays red
Charging finished:	Indicator red light goes off
Power Off:	Indicator flashes red then goes off

## Auto-Connect:

The product will automatically pair with the last connected device, when next turned on. (Before turning on the Bluetooth receiver, turn on the Bluetooth feature of your smart device.)

## Auto Power Off:

The product will power off automatically if not paired with any device in 5 minutes.

## Trouble Shooting:

**Q1: The product can't pair with your Bluetooth enabled phone, MP3, etc.**

1. Please make sure you have powered on the receiver, and the indicator light flashes red and blue alternately.
2. Clear the pairing list of your Bluetooth enabled phone, MP3, etc. then try again.

**Q2: The Bluetooth range or the sound quality is not good.**

Bluetooth signal can be blocked by surrounding objects and reduce the audio quality, please put it in the right position without barrier between adapter and your phone (or other devices).

**Q3: How to clear pairing record?**

In standby status, press "+" and "-" at the same time for 2 seconds to clear the pairing record. The LED flashes red and blue alternately and J33 will not connect to previous devices automatically.

## FCC Compliance Statement:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## RF Exposure Compliance Statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

## CORRECT DISPOSAL OF THIS PRODUCT

(Waste Electrical & Electronic Equipment)

This marking shown on the product or its literature, indicates that it should not be disposed with other household wastes at the end of its working life.

To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate this from other types of wastes and recycle it responsibly to promote the sustainable reuse of material resources.

Household user should contact either the retailer where they purchased this product or their local government office for details of where and how they can take this item for environmentally safe recycling.

Business users should contact their supplier and check the terms and conditions of the purchase contract. This product should not be mixed with other commercial wastes for disposal.
