

# Camping Lamp Forsol

80090 (white) / 80091 (black) / 80092 (green)

## SAFETY INSTRUCTIONS

- Read these instructions for use completely before using the product and keep them for future reference.
- Children should be supervised at all times when using the product.
- Do not disassemble or modify the product on your own.
- Do not use the product in heavy rain or temperatures below -10°C or above +50°C.
- We recommend fully discharging and recharging the rechargeable battery at least once every 3 months to prolong its life.
- Only use the cable included to charge the lamp.

Charging time: approx. 5.5 hours, via USB cable

Operating time: approx. 6 - 48 hours, depending on brightness level

Colour temperature: 2800K Warm White

## Use

**Charging:** Integrated into the back of the lamp, there is a USB-C port for charging the lamp. Before using the lamp for the first time, charge it fully with the USB charging cable included in the delivery. The lamp should remain switched off during the charging process. The 4 blue lights on the back of the lamp indicate the battery level when switched on.

**Switch on:** Turn the knob on the front of the lamp clockwise to switch it on. The 4 vertical filaments light up.

**Brightness level:** Turn the knob further clockwise to increase the brightness of the filaments. Turn the knob further clockwise to switch on the upper LEDs (without the filaments). Turn the knob further clockwise to increase the brightness of the upper LEDs. Turn the knob further clockwise to switch on the upper LEDs and the 4 filaments at the same time.

**Switch off:** Turn the knob anticlockwise until there is an audible „click“ to switch off the lamp.

## Technical data

LED specifications: 4 x LED filaments and 16 x SMD LED

Brightness: 350 lumen

Customer service:

service@skandika.de

Battery capacity: 2 x 2200 mAh

Sales and service by:

MAX Trader GmbH,  
Wilhelm-Beckmann-Straße 19,  
45307 Essen, Germany

Input: USB-C

Protection class: IPX3

Material: Metal (iron), ABS

Dimensions: approx. ø 11.0 x 17.0 cm

Net weight: approx. 500 g
