

XL Puzzles

De pluspunten van XL puzzelstukken:

- Grooter dan standaard puzzelstukjes, niet 2,5 cm maar tot 3,5 cm doorsnee
- Makkelijker vast te pakken bij verminderde motoriek of kracht
- Door de grote puzzelstukken zijn details bij minder goede ogen beter te zien

The pluses of the XL pieces listed:

- Larger than regular puzzle pieces, not 2,5 cm but up to 3,5 cm diameter
- Easy to grip with reduced motor skills
- Thanks to large pieces, details of the puzzle image can be seen better with limited eyesight

Die Vorteile von XL-Puzzleteilen:

- Größer als Standard-Puzzleteile, nicht 2,5 cm sondern bis zu 3,5 cm im Durchmesser
- Leichter zu greifen bei geringerer Motorik oder Kraft
- Details sind wegen größerem Puzzleteilen bei einer Sehstörung leichter zu erkennen

Les atouts des pièces de puzzle XL :

- Plus grandes que celles des pièces classiques, un diamètre pas 2,5 cm mais jusqu'à 3,5 cm
- Plus faciles à prendre en main en cas de motricité ou force de la main réduite
- En cas de vision réduite, les détails sont mieux visibles grâce aux pièces plus grandes

MARSHALWOOD Puzzles have been designed to be used and enjoyed more often than less popular puzzles. We believe you'll agree. Because the pieces are much larger than the standard traditional four-sided puzzle pieces, it's easier to clean up mistakes or begin again if you want to. Creating puzzles, puzzles bring out the best in us. MARSHALWOOD Puzzles are hand assembled from wood and are made in the USA.
