

Privacyverklaring

SecurLens verzameld zelf geen data van het door u aangekochte product, wel werkt SecurLens met een externe partner die verantwoordelijkheid draagt voor de app. Onderstaand staat het Privacy-statement van Viidure weergegeven:

1. Collection of personal information

1.1 Collection for service purposes

In order to achieve the service purpose of “Viidure”, “Viidure” will only collect the personal information you submit when you give feedback, so that we can analyze the problem, contact you, and provide you with services.

1.2 Confidentiality

“Viidure” will keep the information you provide confidential to the greatest extent possible with reasonable commercial obligations.

2. Use of personal information

2.1 Purpose limitation

Your personal information will not be used for other purposes unless otherwise specified in this Privacy Policy or if you are not notified first of the update of this Privacy Policy.

2.2 Anonymous statistical data

Anonymous summary statistical data is not personal user information as defined by “Viidure”. We will save and use such information for various purposes, including but not limited to analysis and reporting of usage patterns. “Viidure” reserves the right to use and disclose anonymous aggregate statistics for any purpose or unilaterally authorize third parties.

3. Disclosure of personal information

3.1 Limited disclosure

Except for the limited disclosure stated in this Privacy Policy, we will properly keep your personal information and will not disclose the customer list.

3.2 Authorized disclosure

You hereby authorize us to disclose your personal information to third parties without your consent under the following circumstances:

- **3.2.1** If our disclosure of such information is necessary to identify, contact, or bring an action that may cause damage to our rights or property, website users, or anyone else (including anyone else's rights and property).
 - **3.2.2** The necessity of legal investigation.
 - **3.2.3** Such disclosure is required by law or as required by a subpoena or other order of law enforcement to be served on us.
-

4. Security

4.1 Protection measures

The security of personal information is very important to us. We will use reasonable commercial efforts to protect the security of your personal information, and implement reasonable commercial procedures to restrict unauthorized access, use, or disclosure of your personal information. Despite the above measures, you should be aware that "Viidure" cannot completely avoid security risks related to personal information.

4.2 Your responsibility

You should assist us to protect the security of your personal information. For example, do not reveal your personal password.

5. Collection and use of personal information of young people

5.1 Minor usage

We recommend that minors under the age of 18 use this website and "Viidure" with the permission and guidance of their legal guardians.

5.2 Protection of minors

This website and "Viidure" will not use the personal information of minors, nor will they disclose identifiable information to any third party. Guardians have the right to refuse further collection of

personal information of the guardian by this website and “Viidure”, or ask this website and “Viidure” to delete the personal information of the ward.

6. Amendments to this Privacy Policy

6.1 Notification of changes

This Privacy Policy allows for adjustments. If we make any substantial adjustments to the method of using your personal information, we will notify you through the email address you provided or through the announcement on the website.

6.2 Effective change notices

The e-mails sent by us containing such change notices shall without doubt constitute an effective part of the said change notices. If you do not want us to change our use of your personal information, you must notify us well in advance of your desire to stop using your account with us. Your continued use of “Viidure” will be deemed to be your acknowledgment and agreement to be bound by the terms of such changes in the notice.
