

The above product has been tested by us with the listed standards and found in compliance with the European Electromagnetic Compatibility Directive 2014/30/EU. It is possible to use CE marking to demonstrate the compliance with this EMC Directive.

**EN IEC 55014-1: Electromagnetic Compatibility — Requirements for household appliances, electric tools and similar apparatus — Part 1: Emission**

**EN IEC 55014-2: Electromagnetic Compatibility — Requirements for household appliances, electric tools and similar apparatus — Part 2: Immunity product family standard**

The referred test report(s) show that the product complies with standard(s) recognized as giving presumption of compliance with the essential requirements in the above mentioned EU Directive. Other relevant Directives have to be observed.

After preparation of the necessary technical documentation as well as the conformity declaration, the CE marking as shown below can be affixed on the equipment.
