The central sensor array consists of 10 LEDs and 5 sensors. The LEDs are arranged in a cross pattern: two at the top, two on the left, two in the center, two on the right, and two at the bottom. The top and bottom LEDs are yellow, the left and right LEDs are red, and the center LEDs are green. The sensors are small rectangular openings arranged in a cross pattern: one at the top, one in the center, one at the bottom, one on the left, and one on the right.
