Product Description

Sit on Me Deluxe - The perfect protection for your car's seat covers against scratches and dents caused by your child's car seat. This universal underlay mat Sit on Me Deluxe consists of highly compressed plastic foam and is therefore extremely durable. Thanks to the integrated cut-outs for the ISOFIX child seat mountings, this underlay mat is suitable for all car seats, baby carriers and child car seats. Both the upperside and the bottom side are made of anti slip material and therefore prevent movements of the car seat during the trips in your car. Integrated mesh front pockets provide storage space for small items on your trips. Water-resistant and washable.
