

Cat6 Patch Cable with Snagless RJ45 Connectors - 10 m, Yellow

StarTech ID: N6PATC10MYL

This 10-meter Cat6 cable meets or exceeds all Category 6 cable specifications to ensure reliable Gigabit network connections. Plus, the cable features a durable yellow PVC jacket that enables you to color code your network cable runs as needed.

Snagless RJ45 clips help protect your network connections

For easier cable runs, the snagless connectors protect the cable's RJ45 clips during installation, making them less likely to snag or break. This ensures a sturdy connection by preventing the cable from becoming loose from the port.

The cable features moulded boots that offer connector strain relief, by stopping the RJ45 connector termination points from bending at sharp angles, and reducing the risk of damage to the cable, which could decrease network performance.

100% copper for outstanding value

Get the highest value for your cable investment with our Cat 6 cables, each one manufactured using high-quality copper conductors.

24-gauge wire for high-performance network connection

Ensure high-performance capability for your demanding Ethernet applications, such as Power-over-Ethernet, using cables that include 24 AWG copper.

50-micron gold connectors provide peak conductivity

Rely on our RJ45 connectors to deliver optimum conductivity while eliminating signal loss due to oxidation or corrosion.

The N6PATC10MYL is backed by StarTech.com's lifetime warranty for guaranteed reliability.

Applications

- Designed for use with Gigabit networks
- Patches from hub to distribution panel
- Connects workstation to wall outlet

Features

- RJ45 connector clip protectors
- Carefully constructed and tested, to keep Near End Crosstalk (NEXT) well within acceptable limits
- · Colored hoods for departmental color coding
- Molded strain relief prevents the cable from being bent at sharp angles at the RJ45 connector, to minimize the stress at the plug termination point
- Constructed with top quality components
- High quality 24 AWG copper wire
- ETL verified

Technical Specifications

Warranty Lifetime

Cable Jacket Type PVC - Polyvinyl Chloride

Cable Type Snagless
Connector Plating Gold

Fire Rating CMG Rated (General Purpose)

Number of Conductors 4 pair UTP

Wiring Standard TIA/EIA-568-B.1-2001 T568B

Cable Rating CAT6 - 500 MHz
Connector A 1 - RJ-45 Male
Connector B 1 - RJ-45 Male
Cable Length 10 m [32.8 ft]

Color Yellow

Product Length 10 m [32.8 ft]
Product Weight 439 g [15.5 oz]
Shipping (Package) Weight 439 g [15.5 oz]

Included in Package 1 - 10 m Cat6 Patch Cable - Yellow
