

BANZ®

Carewear for kids

BANZ® sunglasses, earmuffs and sun hats provide loving protection to children of all ages - infants, toddlers and kids. These safeguard your young ones from harmful UV rays, deafening noise and severe sunburn. BANZ® products are tested against severe conditions and made to exacting international standards. Trusted worldwide for over 15 years.

BANZ® Carewear for kids.

Sensitive care. Sensible choice.

**Why Banzee™ and Bubzee love BANZ®?*

Like every loving Mom, Banzee™ dotes on Bubzee. Instinctively, Banzee™ has been using her bare hands and body to shield Bubzee from the forest's glaring sunshine, blaring roars and flaring heat.

Until she found BANZ®. Safe and dependable.

As Bubzee grows, BANZ® sunglasses, earmuffs and sun hats expand to provide the same loving care and lasting protection!

"That's very smart", says Banzee™. "And comfy too", chimes in Bubzee.
