**IMPORTANT REMARKS**

**Please use only illustrator file to print packaging.**  
We need high quality and colorfull printing.

**Don't print information on layer "Die cut".** Don't print red and/or blue lines.

**Please check sizes !**

Pick-board hole must be cleared : ready to use  
Pick-board hole must be placed strategically in order to have a straight product when hanged in shops.  
**Make a first sample by yourself and send me (by email) some pictures to approve before production !**

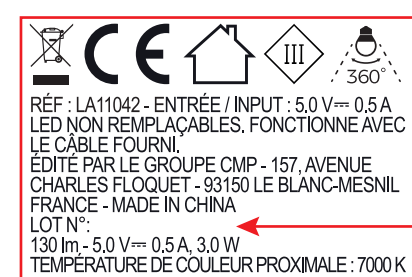

Lot number (same as PI number) must add by yourself before printing.  
You must fill-in by yourself the empty space near barcode, following the text "Lot n°".  
Barcode must be scannable easily (size enough big, not hidden by product or packaging).
