according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

SECTION 1: Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

Trade name Jedivite® Super Multivitamin

1.2 Relevant identified uses of the substance or mixture and uses advised against

Use of the Sub-

stance/Mixture : Dietary Supplements

1.3 Details of the supplier of the safety data sheet

Manufacturer/Supplier

JediVite® / The Relentless Company B.V

157 Tilburgseweg 4817 BC Breda,

Netherlands

1.4 Emergency telephone number

Emergency telephone

number

Tel: +31 648 263 623 (24 hours)

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

Classification (REGULATION (EC) No1272/2008)

This material does not meet the criteria for classification under Regulation (EC) No 1272/2008.

2.2 Label elements

Labelling (REGULATION (EC) No 1272/2008)

Hazard pictograms : None

Signal word : None

Hazard statements : None

Precautionary statements : None

2.3 Other hazards

This substance/mixture contains no components considered to be either persistent, bio accumulative and toxic (PBT), or very persistent and very bio accumulative (vPvB) at levels of 0.1% or higher

according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

SECTION 3: Composition/information on ingredients

3.1 Mixtures

Chemical nature : Compound

Components

Chemical name CAS-No. EC-No. Index-No. Registration number	Chemical name	_	Classification
--	---------------	---	----------------

There are no additional ingredients present which within the current knowledge of the supplier and in the concentrations applicable, are classified as hazardous to health or the environment and hence required reporting in this section.

SECTION 4: First aid measures

4.1 Description of first aid measures

General advice : The material is not expected to present any special hazard.

If inhaled : The material is not expected to present an inhalation hazard.

In case of skin contact : The material is not expected to present a skin hazard.

In case of eye contact : Immediately flush eyes with plenty of cool water for at least 15

minutes. Get medical attention if irritation occurs.

If swallowed : If symptoms persist consult doctor.

4.2 Indication of any immediate medical attention and special treatment needed

Treatment : Treat symptomatically.

SECTION 5: Firefighting measures

5.1 Extinguishing media

Suitable extinguishing media : Carbon dioxide (CO2)

Water spray
Dry powder
Chemical foam

5.2 Special hazards arising from the substance or mixture

Specific hazards during fire-

fighting

Hazardous decomposition products formed under fire

conditions.

Keep containers cool by spraying with water if exposed to fire.

according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

5.3 Advice for fire fighters

for firefighters

Special protective equipment : In the event of fire, wear self-contained breathing apparatus.

Further information : In case of fire do not inhale smoke, conflagration gases and

steams.

Fire residues and contaminated fire extinguishing water must

be disposed of in accordance with local regulations.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Personal precautions : No personal protective equipment is required.

6.2 Environmental precautions

Environmental precautions The product should not be allowed to enter drains, water

courses or the soil.

Pay attention to local or official regulations.

6.3 Methods and material for containment and cleaning up

Methods for cleaning up This product is gummy, if spilled only need to pick it up.

Dispose of in accordance with local regulations.

6.4 Reference to other sections

Refer to protective measures listed in sections 7 and 8.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

Advice on safe handling : Provide sufficient air exchange and/or exhaust in work rooms.

Advice on protection against

fire and explosion

No special protective measures against fire required.

Causes no harm in contacting with skin and Hygiene measures

clothing. Handle in accordance with good industrial hygiene and safety practice.

7.2 Conditions for safe storage, including any incompatibilities

Requirements for storage areas and containers

Do always store in containers which correspond to the original

ones.

Keep container tightly closed.

Advice on common storage : No special precautions required.

Storage class (TRGS 510) : Non Combustible Solids

according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

SECTION 8: Exposure controls/personal protection

8.1 Control parameters

8.2 Exposure controls

Engineering measures

No special ventilation and engineering controls are required, the handling of these products need good ventilation.

Eye Protection : Unnecessary, to wear chemical goggles or face shield.

Skin and body protection : No special protective clothing is required. Unnecessary, to use rubber

gloves or other insulated gloves

Respiratory protection No special respiratory protection is required for use of

these products

SECTION 9: Physical and chemical properties

Appearance : Solid

Colour : Colored

Odour : Not determined

pH : Not determined

Solubility(ies)

Water solubility : Not Soluble

Melting point/range : Not determined

Boiling point/boiling range : Not determined

Flash point : Not determined

Evaporation rate : Not determined

Self-ignition : Not auto-flammable

Vapour pressure : Not determined

Relative vapour density : Not determined

Density : Not determined

Bulk density : Not determined

according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

SECTION 10: Stability and reactivity

10.1 Reactivity

No hazards to be specially mentioned.

10.2 Chemical stability

Stable at normal temperature and pressure

10.3 Possibility of hazardous reactions

Hazardous reactions : Not expected

10.4 Conditions to avoid

Conditions to avoid: : Avoid contact with heat, flame, spark and otherigniter.

10.5 Incompatible materials

Materials to avoid : None

10.6 Hazardous decomposition products

The following combustion products may be generated: Carbon dioxide, carbon monoxide, water vapor and trace volatile organic compounds

SECTION 11: Toxicological information

11.1 Information on toxicological effects

Acute toxicity

Product:

Acute oral toxicity : Based on available data, the classification criteria are not met.

Acute inhalation toxicity : Based on available data, the classification criteria are not met.

Acute dermal toxicity : Based on available data, the classification criteria are not met.

Skin corrosion/irritation

Product:

: Based on available data, the classification criteria are not met.

Serious eye damage/eye irritation

Product:

Based on available data, the classification criteria are not met.

Germ cell mutagenicity

Product:

Germ cell mutagenicity-

Assessment

Based on available data, the classification criteria are not met.

according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

Carcinogenicity

Product:

Carcinogenicity - Assessment

Based on available data, the classification criteria are not met.

Reproductive toxicity

Product:

Reproductive toxicity -

Assessment

Based on available data, the classification criteria are not met.

STOT - single exposure

Product:

Based on available data, the classification criteria are not met.

STOT - repeated exposure

Product:

Based on available data, the classification criteria are not met.

Aspiration toxicity

Product:

Based on available data, the classification criteria are not met.

SECTION 12: Ecological information

12.1 Toxicity

Not Applicable

12.2 Biodegradability

Not Applicable

12.3 Bioaccumulative

potential

Not Applicable

12.4 Mobility in soil

Not Applicable

12.5 Results of PBT and vPvB

assessment

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative

(vPvB) at levels of 0.1% or higher.

Other adverse effects

Adsorbed organic bound

halogens (AOX)

The product does not increase the AOX-value of the

waste water.

Additional ecological infor-

mation

According to our knowledge, the product does not contain

heavy metals and other compounds of EC directive

2000/60 EC.

according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

SECTION 13: Disposal considerations

13.1 Waste treatment methods

Product : Dispose of in accordance with local regulations.

Contaminated packaging : Dispose of in accordance with local regulations.

SECTION 14: Transport information

14.1 UN number

Not classified

14.2 UN proper shipping name

Not classified

14.3 Transport hazard class(es)

Not classified

14.4 Packing group

Not classified

14.5 Environmental hazards

Not classified

14.6 Special precautions for user

Remarks : see chapter 6 - 8

14.7 Transport in bulk according to Annex II of Marpol and the IBC Code

Remarks : Not applicable

SECTION 15: Regulatory information

15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

TA-Luft (Ger.) : Not applicable

Water Hazard Class (Ger.) : Not applicable

Other regulations:

Currently no information

available

Currently no information available

Chemical safety

assessment

Not required

according to Regulation (EC) No. 1907/2006

Jedivite® Super Multivitamin

Version 3 Revision Date: 01.06.2022 Date of issue: 15.06.2022

SECTION 16: Other information

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

This safety datasheet only contains information relating to safety and does not replace any product information or product specification.
