⚠ Waarschuwing! Verf kan vlekken veroorzaken in kleding en andere oppervlakken. Verf kan verwijderd worden met zeep en water zolang de verf nat is. Na opdrogen of verhitting is de verf permanent. **⚠ Warning!** Paint may stain clothing and other household surface. Paint cleans up with soap and water while still wet. Paint is permanent once dry or after heat disposal. **⚠ Achtung!** Die Farbe kann Kleidung und andere Gegenstände beschmutzen. Im nassen Zustand kann die Farbe mit Wasser und Seife entfernt werden. Nach dem Trocknen und durch Hitzeeinwirkung wird die Farbe permanent. **⚠ Attention!** La peinture peut tacher les vêtements ou toute autre surface. Dans ce cas nettoyez avec de l'eau et du savon si elle est encore humide. Elle ne peut s'enlever si elle est sèche ou après chauffage. **⚠ Advertencia!** La pintura puede manchar la ropa y otras superficies de la casa. Se limpia fácilmente con agua y jabón mientras está todavía húmeda, pero queda permanente si se deja secar o se expone a una fuente de calor. **⚠ Avvertenza!** I colori possono macchiare vestiti ed altre superfici domestiche. Si possono pulire le macchie finché sono ancora umide con acqua e sapone, ma diventano indelibili quando il colore è asciutto o dopo l'esposizione a fonti di calore. **⚠ Upozornění!** Barva může znečistit oblečení, nábytek a další vybavení domácnosti. Barvu čistíte mýdlem a vodou než zaschne, po zaschnutí nebo nahřátí se stává permanentní. **⚠ Figyelmeztetés!** A festék foltot hagyhat a ruhán és egyéb otthoni felületen. Amíg a festék még nem száradt meg, szappannal és vízzel tisztítható. Miután megszáradt vagy hőnek lett kitéve, a festék tartóssá válik. **⚠ Ostrzeżenie!** Farba może pozostawić plamy na ubraniu i innych powierzchniach. Farbę zmywa się wodą z mydłem, kiedy jest jeszcze mokra, natomiast po wyschnięciu po poddaniu obróbce cieplnej. **⚠ Avertisment!** Vopseaua poate murdări îmbrăcămintea și alte obiecte. Cât este încă umeză, vopseaua poate fi îndepărtată cu apă și săpun. După uscarea și expunerea la căldură, vopseaua devine permanentă. **⚠ Внимание!** Внимайте с боята, защото може да изцапа дрехите или мебелите в дома ви. Боята може да се почисти с вода и сапун и единствено докато не е изсъхнала, след това или след нагряване не може повече да се отстрани.
