Dual-Device
Connection

¹This feature is disabled by default.

²The IP57 rating applies to the earbuds only, not the charging case.

³Battery life data comes from Huawei lab tests, during which audio was played in AAC format at 50% volume level, and default settings were used for other features. Actual experience may vary.

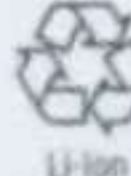

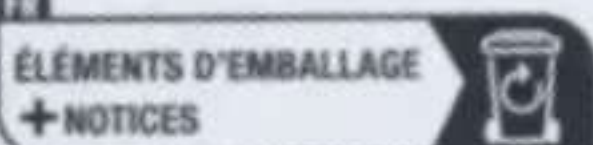

All images on the packaging are for reference only, the actual product may differ from images on the packaging (including but not limited to colors, shape, and screen display).
