The Apple Find My network provides an easy, secure way to locate your Volcano TagTrace using the Find My app on your iPhone, iPad, Mac, or the Find Items app on Apple Watch. To use the Apple Find My app to locate your Volcano TagTrace, the latest version of iOS, iPadOS, or macOS is recommended. The Find Items app on Apple Watch requires the latest version of watchOS.

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards. Apple, Apple Find My, Apple Watch, Find My, iPhone, iPad, iPadOS, Mac, macOS and watchOS are the trademarks of Apple Inc. iOS is a trademark or registered trademark of Google in the U.S. and other countries and is used under license.

Find Hub helps you find and connect to what matters in a single, secure place. Find your lost phone or other important belongings quickly. You can also use Find Hub for seamless location sharing with friends & family for peace of mind.

This product has been certified by Google to meet Find Hub network accessory specifications. Google is not responsible for the operation of this product. Google is also not responsible for ensuring that the product complies with any applicable safety standards or other requirements. Google, Android, and Find Hub are trademarks of Google LLC.
