CPU

GMS Certified
Android™ OS

Fast and Responsive with IPS Screen

This tablet is equipped with an IPS screen, which is characterized as having the best viewing angle.

HD Cameras for Video Calls and Selfie

The front and rear cameras in this tablet provide the full capability of making smooth video calls and taking a perfect selfie.

Massive Selection of Apps from Google Play Store

This tablet is GMS certified from Google™ and a native Android operating system, providing you with easy access to the content on Google Play Store. Just log into your Google account and enjoy music, movies, etc.

Powerful Hardware in A Slim Design

With the advanced Octa-Core processor and a solid eMMC ROM, this tablet provides smooth Internet surfing, Apps downloading, and reading. The lighter and thinner design makes it easy to be carried.
