Certificate of Compliance

CERTIFICATE NO. TCT16080100001

Product : Android 9.0
Model : M9, M9L, M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202)
Trademark : M9
Applicant : Shenzhen Tacton Technology Co., Ltd
Applicant Address : No.807 2/Fly Building, 2075 Baran Road, No. 1, Lucha Shenzhen Guangdong 518007 China
Manufacturer : Shenzhen Tacton Technology Co., Ltd
Manufacturer Address : No.807 2/Fly Building, 2075 Baran Road, No. 1, Lucha Shenzhen Guangdong 518007 China

This is to certify that, on the basis of the tests undertaken, as per Request No. TCT16080100001, the submitted sample of the above item complies with:

EN50368:2014, EN50369:2014
 EN50369:2014, EN50369:2014
 EN50368:2014, EN50369:2014

And fulfill safety requirements of the RoHS Directive (2011/65/EU)

RoHS

FCC-VERIFICATION

CERTIFICATE NO. TCT16080100001

The certificate is for the following equipment model:

APPLIED to Item

Model: M9, M9L, M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202), M9L (202)

Product Identification

It is a mobile wireless terminal to comply with the requirements set out in Regulation for the restriction of hazardous substances. This certificate is valid for the FCC rules approval is subject to the following requirements:

1. The device shall comply with the technical conditions.

2. The device shall comply with the technical conditions.

3. The device shall comply with the technical conditions.

4. The device shall comply with the technical conditions.

5. The device shall comply with the technical conditions.

6. The device shall comply with the technical conditions.

7. The device shall comply with the technical conditions.

8. The device shall comply with the technical conditions.

9. The device shall comply with the technical conditions.

10. The device shall comply with the technical conditions.

11. The device shall comply with the technical conditions.

12. The device shall comply with the technical conditions.

13. The device shall comply with the technical conditions.

14. The device shall comply with the technical conditions.

15. The device shall comply with the technical conditions.

16. The device shall comply with the technical conditions.

17. The device shall comply with the technical conditions.

18. The device shall comply with the technical conditions.

19. The device shall comply with the technical conditions.

20. The device shall comply with the technical conditions.

21. The device shall comply with the technical conditions.

22. The device shall comply with the technical conditions.

23. The device shall comply with the technical conditions.

24. The device shall comply with the technical conditions.

25. The device shall comply with the technical conditions.

26. The device shall comply with the technical conditions.

27. The device shall comply with the technical conditions.

28. The device shall comply with the technical conditions.

29. The device shall comply with the technical conditions.

30. The device shall comply with the technical conditions.
