

## CE DECLARATION OF CONFORMITY

(Class I Medical Devices)

Danish company Pil-Pak A/S, with address in Fuglebaekvej, 3E in Kastrup, Denmark, VAT number 26541115, with technical responsible Jesper Larsson, email: jesper@pil-pak.dk and phone number: 045 32513744

**Declares:**

That the medical devices manufactured by them (see Annex I), graduated compression stockings, comply with:

- a) The requirements laid down in Annex I, Directive 93/42/EEC June 14, in its current wording;
- b) Decree -Law n ° 145/2009 June 17;
- c) The Standard CEN / TR 15831 " Method for testing in medical compression hosiery ";
- d) NP EN ISO 13485-2004 - MD - Requirements for regulatory purposes.

In the aspects that apply to them, so it does not compromise the clinical condition or the safety of patients, or even the safety and health of users or, where applicable, other persons, when used under the conditions and for the purposes specified, considering that possible risks associated with the intended use constitute acceptable risks when weighed against the benefits to the patient and are compatible with a high degree of protection of health and safety.

**Undertakes to:**

Create and maintain a systematic procedure to review experience gained from devices in the post-production phase including the provisions referred to in Annex XVI of the Decree -Law n ° 145/2009 June of 17. Implement appropriate means to apply any necessary corrective actions, taking into account the nature and risks associated with the product and notify the Competent Authority about their incidents, such as:

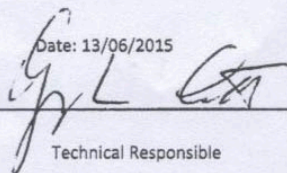

Any malfunction, failure or deterioration in the characteristics or functional performance , and any inaccuracy , omission or inadequacy in the labelling or the instructions for use of a device that is likely to cause or have caused the death or serious deterioration of health status of a patient , user or third party;

Any indirect problem, as a result of an incorrect medical decision related to a medical device, when used according to the instructions provided by the manufacturer;

Any technical or medical reason related to the characteristics or the performance of a device that for the reasons referred above, has led to security corrective action in the Scandinavian market with devices of the same type made by the manufacturer.

Other information that the experience demonstrates they should be notified. Establish the technical documentation and keep it updated, including this statement available to the Competent Authority for the purposes of inspection for five years from the last date of medical device manufacture.
