DEEBOT X2 COMBO

Key Technologies – POWERFUL DUO

Cleanliness

Vacuum Duo for All-round Deep Cleaning

Experience the X2 COMBO's cleaning prowess! The X2's slim robot design ensures thorough coverage, while the 8700Pa suction power, 200mm main brush, OZMO Turbo 2.0 Mopping, and Intelligent Mop Lifting guarantee a spotless home with powerful mobility performance. Its new handheld vacuum with four-stage filtration and multiple brushes deliver versatile, efficient cleaning.

Smartness

Smart AI-powered Cleaning

Meet your DEEBOT, your smart cleaning companion! With AMI 3D 2.0 obstacle avoidance and Dual-laser LiDAR planning technology, it navigates seamlessly, avoiding obstacles with precision. Pet-friendly AI mode? Absolutely! It recognizes your furry friends and their food plate and suggests the perfect cleaning solution. Cleaning just got a whole lot smarter and friendlier!

Easiness

Dual Auto-Empty by upgraded OMNI Station

Experience a new level of cleaning efficiency with the All-in-one OMNI station featuring Dual Auto-Empty - automated dust-free emptying for both the handheld vacuum and robotic vacuum cleaner. Enjoy hassle-free, high-temperature Mop Washing with 60°C hot water on the ECOVACS X2 COMBO for a sparkling clean home.

Interactiveness

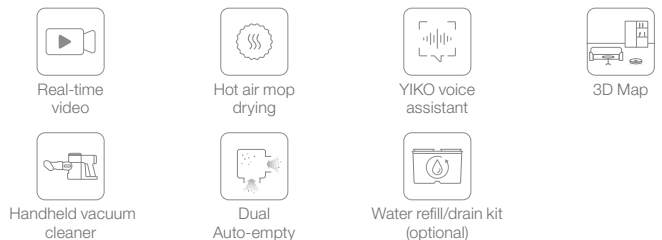

Interactive Experience with YIKO and 3D Map

Enhance your cleaning experience with DEEBOT's upgraded 3D mapping, allowing precise cleaning in specific areas. Simply swipe on the app to assign tasks, like removing the dirt under your dining table. Plus, enjoy smooth control through YIKO Voice Assistant—your smart housekeeper mastering multiple voice scenarios for an effortless, immersive cleaning journey.
