Building the Big Skills Toddlers Need

We believe in big starts. Our big bricks are designed for little hands to master. When toddlers' creativity is set free, their opportunities to learn become endless. We call it Learning Through Play. And it inspires every LEGO® DUPLO® set. Based on thorough scientific research, each set helps young minds develop both IQ skills (cognitive, physical, creative) and EQ skills (social, emotional). Let all toddlers Start Off Big.

LEGO DUPLO sets are categorised into benefit territories that match toddlers' ages and developmental stages

**PLAY
IDEAS**

**CREATIVE
SOLUTIONS**

**LEARN
PATIENCE**

LEGO® DUPLO® sets in this territory involve playful challenges that can help toddlers master a range of skills, including hand-eye coordination and how to focus, manage emotions and solve problems. When you allow toddlers to play independently, and offer guidance from a distance, you can help them develop perseverance and learn to ask for help when needed.
