Thank you  
for purchase!

Designed in The Netherlands

Made in China

VOTIQ B.V.

## Instructions:

Place the charger in the desired spot.

Plug the USB cable in the USB-port of the car.

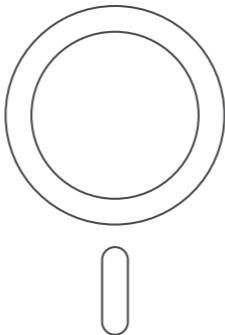

The MagSafe magnet puts the phone in the right position for fast wireless charging.

## Compatibility:

Supports 15W wireless charging for iPhone 12 and up.

Other phones can use the phone stand via a MagSafe phone case or a 3M metal ring.

# Specifications:
