MONDIAL LIVING

— Collection 2021

Welcome to Mondial Living

Mondial Living is a supplier of elegant garden furniture. For nearly 25 years we are the direct link between manufacturers and outdoor furniture specialists. As a result Mondial Living now disposes of a valuable network within the garden furniture industry.

With our head- and sales office based in The Netherlands, local QC offices and our production facilities in Vietnam, Indonesia and China we're able to offer you outdoor furniture from almost any kind of material and design.

Keywords: Flexible, pricing, personal and professional approach, own production facilities, local sourcing, private label, own R&D and QC team.

Visit our showroom, see the beautiful materials and the various designs. Beautiful photographs will tell you a lot about the looks and our wide product range, but your own experience will tell you much more than thousands of pictures or words.
