**Digital control panel**

The bread maker has an easy to operate control panel, equipped with convenient touch controls. The display shows the settings of the program and the remaining time.

**Removable baking tin**

The removable baking tin is provided with a non-stick coating; bread will not stick to the pan and is easily removable. The measuring cup and spoon will help you use the right amount of ingredients.

**Integrated handle**

The convenient folding lid has an integrated handle for easy opening and closing of the lid. It is also equipped with a viewing window.

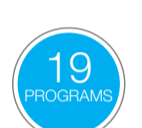

**Stainless steel housing**

The bread maker has a very luxurious look, because of the stainless steel housing.
