	SKU : AIRA0003

Compact and stylish, Airain is the little fan that will refresh your ideas this summer. Equipped with a mini size, very low energy consumption (4W!) and silent, it will know how to remain discreet. Thanks to its two-colour finish and its premium materials, Airain embodies the "French Touch" in its purest form and will fit on your desk, in your bedroom or in your living room.

All specifications are approximate and may be subject to change.
