1. *Easy to clean non-stick plates - Clean in 1 wipe!*: The grill's non-stick plates are designed to be cleaned easily with a soft cloth and mild detergent. No scrubbing or harsh chemicals are needed. 2. **30% space saving and vertical storage**: The grill's compact design allows it to be stored vertically, saving up to 30% of counter space compared to a standard electric grill. 3. **Perfect fit drip tray slots and clips into place**: The drip tray is designed to fit snugly into the grill's base, preventing spills and ensuring easy removal. 4. **Floating hinge for grilling thicker foods**: The grill's floating hinge allows the top plate to rise and fall, ensuring even cooking for thicker items. 5. **Ready to cook indicator light**: A built-in indicator light lets you know when the grill is preheated and ready for use. 6. **From switch on to plate in under 6 minutes*': The grill's powerful heating elements cook food quickly, from the moment you turn it on. 7. **Adjustable rear foot for flat or angled cooking**: The grill's adjustable foot allows you to cook food at an angle, which is ideal for grilling meats like steaks and chops. *Based on a standard electric grill with a similar capacity. **Based on a standard electric grill with a similar capacity. © George Foreman Grills, Inc. 2019.
