WARNING

Continuous adult supervision is required.

Before riding, always check that all bolts and screws are well fixed. Especially check if the seat fixing screw, footrest and handle bar are well tightened.

Assembly and adjustment of seat and footrest should be done by an adult.

Read and understand the manual before use and keep it in a safe place for future reference.

Wear protective equipment at all times when riding.

Not to be used in traffic, near motor vehicles, streets, steps, sloped driveways, hills, alleys, near swimming pools or other bodies of water.

Total permissible load is maximum 35 kg (77 lbs).

Not suitable for children over 5 years of age due to nature of construction.

Recommended age range: 2 - 5 years.

This toy needs proper riding skills, therefore shall be used with caution since skill is required to avoid falls or collisions causing injury to the user or third parties.

In unassembled state, it contains potentially hazardous sharp edges or points, or small parts so please keep out of children's reach.
