

#### DECLARATION OF CONFORMITY

This product was manufactured in accordance with the harmonized European standards, you will find the declaration of conformity below:

- 2014/30/EU EMC Directive
- 2011/65/EU RoHS Directive

# FCC CE RoHS

#### Disposal

The packaging is made of environmentally friendly materials, which may be disposed through your local recycling facilities.

When your device has come to the end of its life, in the interest of environmental protection please do not throw it out with your household refuse, but take it to a suitable center where it can be disposed of properly.

All batteries must be handed in at a collection point in your community, suburb, or at the retailer. Such batteries can thus be disposed of in an environmentally friendly way.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this device does cause harmful interference to radio or television reception, which can be determined by turning the device off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the device and receiver.
- Connect the device into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment
