

DECLARATION OF CONFORMITY

Product identification

Certificate NO : FR.DOC210521-10

Table with 2 columns: Information, Description. Rows include Manufacturer trade name and address, Authorized representative, Common product name, Product and trade name, Basic UDI-DI, Risk class of the device.

Conform with the essential safety requirements of the relevant European Directive:

- Low Voltage Directive 2014/35/EU
- Electromagnetic Compatibility Directive 2014/30/EU
- Directive Medical Device Regulation(EU)2017/745 base on the use of technical construction file in accordance with Article 52 Conformity assessment procedures of the Directive and the relevant parts of the EN12184 2014, EN55032:class B,IEC 61000-4-2:2008, IEC 61000-4-3:2010, EN ISO 14971:2019
- RoHS2 Directive 2011/65/EU

The RoHS Directives require that electrical and electronic equipment placed on EU market do not contain hazardous substances in excess of prescribed maximum concentrations within homogenous material, as below:

Table with 2 columns: Hazardous Substance, Maximum Concentration Level. Rows include Lead (Pb), Mercury (Hg), Hexavalent Chromium (Cr VI), Cadmium (Cd), Poly Brominated Biperyl (PBB), Poly Brominated Diphenyl Ether (PBDE).

This statement represents current knowledge following reasonable inquiry and is based on information provided by our suppliers and selective testing by independent laboratories.

Mounting and connecting instructions defined in catalogues and technical construction files must be respected by the user.
